Competitive examination is written and after written exam, there is a interview. Interview preparation is second stage in these exam preparations. Classroom teaching is given by various institutes which is beneficial for the aspirants. Nervousness and stress need to be avoided while preparing for these exams. One should work efficiently and should know all the whereabouts of these exams like when the forms are filled up , exam date and results announcements. Candidate should be updated for all the notifications regarding these exams.

In India we can find defence jobs are the most respectful and repudiated job. Indian army, Indian navy and Indian air force are proud for our country. These three wings are safety pillars of our country from air, water and land terrorist attacks. Terrorism is becoming a threat for world peace. Every day we read newspaper and find the activities of anti human sources. Safety of one country is depending upon their military. They are the one who give us a sense of safety and peaceful living.

CDS examination is conducted by UPSC every year. CDS Exam is a way to get a entry to serve the nation. It's a exam comprises of 3 stages. The first one is written exam, if you have cleared the written you will get a call for an interview. After written and interview one has to go through a medical test. If all the stages are cleared you will find that you are the one who get a privilege to serve the nation. CDS preparation needs 5 to 6 months at least. One has to be graduate for appearing into this exam. This is the minimum eligibility.

The CDS exam preparation is very much popular among youths now days. Their goal is to get a respectful career for their future and as we all know job in defence of our country is the most prestigious one can ever do. The salary, perks and stability offered by these jobs are remarkable as well as lucrative. Lakhs of people appear for combined defence services exam every year. Thousands of them get selected based on their performances in the written exam as well as interview and medical fitness test conducted by UPSC.

We are observing an increasing trend among fresher's for these jobs. There are inspired by the defence people and their lifestyle with no one can compete. CDS coaching is offered by various institutes for long and short duration both. Online programs are also there for the aspirants. One has to be well prepared before giving CDS examination as there is a need of lots of strength and hard work to become defence personnel.

At last we wish all the best to all the aspirants who are preparing for CDS examination. It's a exam which totally change your life and make you a more responsible and dutiful person as defence of any country is known for its duties , responsibilities and strengths.
