MBA in France by Luke Wright

Article published on July 17th 2012 | Career

The INSEAD Master in Finance is a premium opportunity for finance and investment professionals. From this programme you will gain:

An in-depth knowledge of finance, accounting and management

An absolute focus on the financial industry with a rigorous understanding of the key competitive and management issues in this sector

A uniquely tailored programme to working professionals, enabling you to apply and practice your studies in the workplace as you learn

A program leveraging INSEADâ€™s campuses in Europe and Asia and its international faculty to provide a truly global and entrepreneurial learning experience

Admission Criteria

While displaying a remarkably wide range of backgrounds and experiences, successful INSEAD Master in Finance candidates are distinguished by demonstrated quantitative skills, academic excellence, strong interpersonal skills and the potential to succeed as a leader in a competitive, global, business environment. We welcome applications from around the world regardless of race, religion, gender, colour or financial status. Our aim is to build an exciting, dynamic and diverse student body.

GMAT or GRE

INSEAD does not have a minimum required GMAT or GRE score but in order to be competitive, you should aim to achieve a score at or above the 75 â€“ 80 percentiles in either test. Please keep in mind, however, that test scores are just one of several admission criteria. A high score does not guarantee admission, and a below average score does not eliminate a candidate.

Your GMAT or GRE score is valid for five years.

English

If English is not your native language, you can demonstrate fluency by one of two methods:

â€¢ If you possess a full university degree (undergraduate or postgraduate) where all courses were taught in English, we will accept your degree as proof of your fluency in English. Your transcripts should clearly indicate that the curriculum was entirely taught in English.

â€¢ Otherwise, you may take one of the following English language tests (the required minimum score is in brackets): TOEFL (iTOEFL: 105, Computer-Based: 260, Paper-Based, 620); IELTS (7.5); CPE (B) and the PTE Academic (72), TOEIC Listening and Reading (950); TOEIC Writing (170); TOEIC Speaking (190). For TOEIC, you need to submit score results for all parts: Listening, Reading, Speaking and Writing.

â€¢ Living and working in an English-speaking environment is not accepted as proof of fluency in English on its own.

Fees & Expenses

Application Fee : SG$ 200

Tuition for the 2013 entering class: SG$70,000

(Programme fees cover tuition and supporting services including all printed course materials, on-campus IT services and access to the INSEAD library. The programme fees do not include travel or living expenses.)
