Article published on November 26th 2011 | [Clothing](#)

The end goal at CHRISANNE was always to produce high end products that create a statement. The partnership between the brands gave CHRISANNE kudos as the costumers of choice for celebrities and professionals alike. For these customers, buying a CHRISANNE dress was not simply purchasing a throw away outfit that went out of style within a season – it was a piece of couture delicately hand crafted with unique SWAROVSKI® art work. The dazzling effect of CRYSTALLIZED Swarovski Elements on the lavishly hand crafted fabrics leaves onlookers mesmerized. These are dresses crafted to enhance a person's performance, whilst also transcending the whims of fashion.

CHRISANNE's 20 year relationship with SWAROVSKI was founded on a joint vision for achieving the best quality through craftsmanship. SWAROVSKI is synonymous with luxury and the finest, precision cut crystals.

CHRISANNE's reputation precedes itself having created iconic and mesmerising dresses, and costumes that have been seen on shows such as "Strictly Come Dancing", "Dancing on Ice", "Royal Variety Performance", "So you think you can Dance", and "Britain's Got Talent".

Whether it is costuming, dancewear, fabric, or tailor made crystallized garments CHRISANNE has 23 years of sartorial experience in the industry. They are the market Leaders and innovators of Ballroom and Latin dance fashions, and the chosen costumers of the professional world dance champions. CHRISANNE supply fabrics and trimmings to the likes of Jimmy Choo, Matthew Williamson, Gareth Pugh, and Philip Treacy, to name but a few. Most recently they have worked in collaboration with high society designer Isabell Kristensen to create the much coveted range of ethereal haute couture ball gowns.

Expert staff deliver customers an exceptional, personalised service tailored to the unique style of each event, and each client. This service ranges from hand applied CRYSTALLIZED Swarovski Elements to unique, hand painted textile art. CHRISANNE have created bespoke outfits for Dame Edna (MAC cosmetics™ muse), as well as custom made Swarovski crystal encrusted jackets for the likes of Cliff Richard and Louis Mariette (as seen on Living TV's, Britain's Next Top Model). When getting noticed for one's outfit is as important as the job at hand being performed, CHRISANNE aim to be one step ahead of the trends du jour.

CHRISANNE operates at the premium end of the market with a high emphasis on uniqueness of design, in combination with top class craftsmanship in garments. Be it a bespoke outfit, Fabrics, or Crystals they are the suppliers of choice to celebrities, stylists, designers, and dressmakers worldwide. The likes of Jodie Kidd, Lisa Snowdon, Alesha Dixon, Kelly Brook, Rachel Hunter, and Penny Lancaster have all been seen on "Strictly come Dancing" in these BAFTA nominated costumes.
