It is known to all that prom is one of the most important nights of a teenager's life and each girl looks forward to becoming the focus of the eyes of the crowd during the special occasion. There is no doubt that one of the keys is a stunning prom dress. There are a number of styles from famous designers like Sherri Hill, Night Moves, Jovani, Mori Lee and so on waiting for you to snap them up, all with a different look to fit various budgets. They are known for making fashionable and stunning prom fashions every season.

Sherri Hill

She is a famous designer who designs gowns for prom 2012, cocktail, party and other occasions. Whether you are looking for a cute short skirt or an elegant long outfit, you won't be disappointed, surely. Her collection embraces elegance and romance, with key details that make these attires stand out from other patterns. If you are a girl who always focus the attention on the fashion trend, a skirt from Sherri Hill is right for you. Generally speaking, her selection runs in a somewhat higher price range, depending on the style. They are worth the price, of course.

Mori Lee

Mori Lee is another popular designer that carries attires for bridesmaids, wedding, proms. her collection consists a variety of patterns to fit any taste. The character from Mori Lee's collection exemplifies the fun and craziness. Each style exudes this feeling using various materials, silhouettes as well as shades. If you hope to buy a dress that is flirtatious, young and energetic, while still being classy and elegant, you shouldn't miss. Usually, you couldn't find a perfect one in common fashion store, to the contrary, it must be purchased at a specialty boutiques. Today, it is also a good idea to search for your ideal style on line. PromGirl and other sites carry a number of beautiful skirts from Mori Lee so you have a wide range of options.

Jovani

Jovani is a famous designer who who specializes in prom and party dresses. Jovani designs take its attires to a whole new level, for a different and trendy look. The collection consists mostly of floor-length and mini short. Lots of shimmering elements, bright colors and cutting edge details are added to the design, which are helpful to make the wearer steal the spotlight in the special event. It is easy to find that many celebrities like Taylor Swift to red carpet events wearing a stunning skirt from the dramatic collection.

You choice is countless and the key is that you should take your body type, personality and budget into consideration when choosing. Make sure it can highlight your most charming side and make you leaving a lasting impression during the happy night.
