Many of us feel that men have several easy choices when it comes to dressing but in fact, they have their own stuffs to look for as how women tend to ponder.

Finding the most flattering tuxedo for your occasion is quite easy if you contemplate on the following things like:

â€¢ Formality of the event

â€¢ Size

â€¢ Color

â€¢ Fabric

â€¢ Fit

â€¢ Complementing each other (incase if itâ€™s a wedding)

But when it comes to dressing, especially men shouldn't take the choice of tuxedo for granted. The right tuxedo will help any man to look his best hence it is a must to contemplate on even small things that will help to bring the best by looking handsome.

That too when it comes to wedding it is immensely important that time should be doubled for selecting one.

When you are search of the best tux you need to keep in mind the formality of the event basically. Formal events requires formal dresses on the other hand for a more casual affair you may go for suit pants and a sports coat, for normal occasions it would be better if you give preference to the time of the event because based on that you can select the color as well. While going for coat, check out the coat style and then get the one that suits your style and personality.

Now letâ€™s see some comprehensive tips on how to bring out the best and here you can find in a couple of things that should be kept in mind when picking out a tux for your wedding:

â€¢ People who are muscular and tall should always go for a clean smooth look

â€¢ Avoiding pleated shirts or double-breasted shirts will keep away from unwanted bulk.

â€¢ Short and broad men should stick to single-breasted jacket

â€¢ Heavy waist men should go for than cummerbund rather than vest for the reason that it draws attention from their waistline up towards their face.

â€¢ On the other hand, short and slim body types should steer clear of double-breasted jackets, because it will look too large on their frame.

In case of any alterations make sure that you wear it and clarify all those things before that assess yourself by following the steps that are mentioned below.

All that you should do is: Stand in front of a full-length mirror and assess your body. And answer honestly to the following questions and the answers will help you to make the best choices.

â€¢ What's your best feature?

â€¢ What part of yourself would you like to downplay?

If at all, you are not satisfied with any of the tuxedos that are there in the market then Consider getting a custom made tuxedo that is fitted to your measurements. Even though it may cost more, it will be helpful in the long run if you anticipate events in your future where it may come in handy.

Finally never compromise over quality.
