The prom wear is always glamorous for women! When there is a prom night around the corner, girls and boys are all joyful and happy. It is really a good chance for them to get close to each other. The prom gowns for the special nights are extraordinary beautiful and stunning. There is at least one highlight for you to kick out others. Conflicts among women are always something about the clothes, beauty and scandals. Now let me teach you how to kick other women out by your stunning prom dresses 2012.

There are many must-have clothes in women's wardrobes. But I have to mention that every woman feel lack of at least one proper gown for some special occasions. I have to mention one of my best Lucy who is a celeb in the upper class. She is a girl love to go shopping and desire to be the most beautiful girl in the world. She loves to compare with women who are in the same occasion with her. She will be happy if she stands out the crowds. She almost buys clothes once a week. I once feel astonished about her innumerable pieces of various clothes in her wardrobe. But she always says that she is lack of one important kind of gown in her wardrobe. As her best friend, I have to forgive this compulsive spender. But I want more girls know that what's the must-have prom dresses in girls' wardrobe?

The elegant floor-length prom dress features a familiar fashionable strapless sweetheart neckline. The hottest color in the latest fashion trend, some shining accessories and the fitted figure with your own body shape make the special one prom gown for your some important occasions. For someone, they always only use a new prom gown once in an occasions and change another one in another occasion. I think it is really a waste of money. Sometimes we don't have to throw the once-used prom gowns away, especially some stunning ones. The wonderful dress should also match with the wonderful accessories like a lovely hat, some elegant shawl or some expensive jewelry. When add something new to the prom dress, it will be a new one to others.

A little black dress is also necessary for women's wardrobe. Little black can be worn to almost every kind of occasion. So it is a versatile prom piece for women. Whether in sleeveless or long sleeves, strapless sweetheart neckline or strapless, the little black is one of cute clothes for women all the time.

The ball gowns are also important for women. Some occasions should be regarded formally. The princess style prom dresses can make you elegant and chic in your prom night. You will be the prom queen at that special night. Good luck to you!
