Article published on February 7th 2012 | Clothing

Since then, their early days in Chesterfield market, it is already known that Rocky Horrors have been supplying a huge range of Gothic clothing online as well as boots and accessories at great prices. Their online store offers a wealth of Gothic jewellery from Alchemy since 1977. Their stocks also includes the full range of earings, bracelets as well as rings and pendants along with watches and any other ornamental jewellery and homeware pieces. If you want to know more about the products that Rocky Horrors are selling, then it would be great for you to spend some time reading this article.

Like any other things now, Doc Martens boots have been around since April 1960, which is the classic design of boot that is being the marriage of German invention as well as an English tradition. In the year 1945, Dr Klaus Maertens was on the leave from the Germany army. In order to ease the pain of his ankle that was injured, he invented a cushioned sole which also relied on the air pockets in order to cushion the foot. After the war has been already ended, Dr Maertens met up with his old University friend and decided to went to a business in making shoes which was also constructed from an old Luftwaffe rubber.

Their sales expanded so much in the following years that resulted to an opening of a factory that was opened in the place of Munich in the year 1952. On the other hand, Rocky Horrors is also selling Cowboy boots. This boots were developed in order to allow some protection as well as support from all day comfort for hard working ranchers, and particularly 'cowboys' who are roding the plains herding cattle. Usually, this boots are constructed from full thickness cowhide, although it has been said that a variety of leathers are used which includes the snakeskin as well as alligator and stingray.

Other than that, aside from the clothing and the boots, there is a new product that the Rocky Horrors had been also proud of, and this is the New Rock boots and shoes that have been produced since the year 1978 by the OrtuÃ±o family in Spain. With a strong family tradition when it comes in shoe-making spanning three generations. Moreover, New Rock have both the skills and passion in order to produce a special range of boots and shoes which also bridges the gap between luxury and exclusivity. Nevertheless, you have to keep in mind whether you are going to buy clothes or shoes, you have to make sure that you are comfortable with it so that your time, money and effort will not be wasted.
