If youâ€™ve ever wondered why men should spend the money on top-quality dress shirts, let us explain a few key reasons why quality is so important.

Menâ€™s dress shirts, or formal wear, are worn for various occasions â€“ from office meetings to wedding ceremonies. High quality dress shirts are easily distinguishable from off-brand shirts, especially in fashion-forward communities such as London.

London Jermyn Street is the place to go when shopping for high quality dress shirts. Here are a few of the reasons you should browse Jermyn Street shops to update your wardrobe.

Finest Quality Fabrics

High quality dress shirts are made with the finest fabrics, including silk poplin, royal oxford and white pique cotton. These fabrics are durable and able to â€œbreatheâ€• for your comfort. Many retailers limit their selection to a few fabric and style choices to keep costs down, but this is not the case for Jermyn Street shops. You will have a variety of fabrics, colours and styles to choose from and a wide range of collar, button and cuff styles.

Brand Effects

The luxurious dress shirts London Jermyn Street has to offer come from familiar brands that are world-famous for their high quality dress shirts. Jermyn Street stores include the well-known Emmett London brand which feature highly coveted dress shirts world-renowned for their quality and custom fit. Youâ€™re guaranteed to get noticed with a custom-made, brand-name dress shirt.

Best Fit

Jermyn Street shirts fit each individual as if they were tailor made because they are in fact tailor made. Custom dress shirts offered in Jermyn Street stores will fit you better than any other shirt you own. Emmett London is proud to offer a premiere made-to-measure service that will outfit you in most comfortable, proper-fitting dress shirt.

Seam Stitching

Another reason men flock to Jermyn Street shops for high quality shirts is because of the seam stitching. Custom dress shirts have perfect, even stitching in the seams and you can only see one line of stitching on the side seam.

Such details set Jermyn Street shirts apart from the competition â€“ which in the long run, are really no competition at all.
