Article published on January 17th 2012 | Computer

Lenovo holds almost all the aces in the technology zone for its superb quality laptops, desktop PCs and rest of the gadgets not only in grades of quantity but also quality. With success touching their feet, Lenovo Desktop computers have certainly come up in the world.

Lenovo K200 (53131BQ) Desktop PC is one of the Lenovoâ€™s on-course-for-victory products that consist of not just one but many unique features. The system carrying a 19-inch LCD monitor, sitting on top of which is a VGA webcam, is powered by either intrinsic Sis Mirage Graphics Chipset or ATI Radeon HD 2400 Pro Graphics Chipset along with 128-MB out-and-out video memory. The device, reflecting a venerable viewing quality, holds admirable look for a desktop PC.

2.53 GHz Intel Core 2 Duo Processor E7200 blended with HT64 Technology and studded with a 250 GB Serial-ATA hard drive has powered this Lenovo desktop computer. It embraces a 1-GB DDR2 667 MHz SD RAM along with 16X Super Multi Dual Layer DVD Writer and Realtek ALC655 audio hardware with 5.1 Surround Ready speakers are also integrated in it. In the port area, the inevitable Lenovo K200 (53131BQ) Desktop PC bears a Serial Port, a Parallel Port, 6 USB Ports, and 2 PS/2 Ports while its slot section comprises of one PCI Express 1X Full height, one PCI Express 16X Full height and two PCI Full height slots.

Hopping from the Basic features to the unique ones, the Lenovo Desktop computer brings too many of those exclusive attributes. The buckle design avails easy changing of PCI cards without the chaos of nuts and bolts. The one key recovery solution of Lenovo K200 (53131BQ) Desktop PC facilitates the user to recover from any misfortune in just a push. One-key Anti-virus scans the entire system in one go and destroys the viruses, even when the system is not responding due to the infection without harming a single bit of your data. Lenovo Bright Vision technology is an eyesight protective characteristic which lets you adjust the brightness of the monitor according to the userâ€™s distance from it as well as the ambience around it saving your eyes from strain.

There lie many more such features which cater the most frequently faced problems of a computer â€“user and hence stands on the head of the Lenovo desktop price list for its worth. Buying this desktop PC will be the worthiest resolution of your life, indeed.
