Have you ever thought about being a part of a murder mystery, if yes then murder mystery games are for you. It is a secret game where someone will be the murderer and others will have to find out who that person is. Itâ€™s the perfect party game that will be fun to be played with everyone. The best thing about this game is that it doesnâ€™t require much physical activity but requires quite a lot of mental ability.

Birthday parties or corporate events murder mystery games are equally popular amongst everyone. Murder mystery evening is particularly popular amongst corporate because it requires a team effort. There has to be at least 6 to10 players for team building.

This game can be played in an evening or it can be an overnight event. There are two types of games played- one where everything is staged which involves professional scripting, acting etc. What your guests have to do is brush up their detective skills to know who committed the murder. In the second type of game your guests get to play the characters and someone amongst the guest will be the murderer and everybody will have to find it out using clues, question and answers. All of that will happen during a three or four course meal. Itâ€™s the perfect way to entertain guests. Not only will they be given great food and drinks but will also enjoy the evening as never before.

When it comes to arranging for a murder mystery evening, all you need to do is contact a company that makes these games. Some companies can arrange an entire evening which will include everything from the plot to the venue and food, all in one. All you will have to do is show up and enjoy.
