Article published on June 6th 2012 | Computer

Guild Wars 2 away from us near, may be a lot of the early generation of old players is not yet clear, "Guild Wars 2 will be what changes, and what inheritance. Today we take a reasonable grounds to two generations of the game between the differences and similarities.

First and foremost, in the Guild Wars 2 was finally able to jump, although there is no practical effect, only boring when the spacebar, but it also represents the free boundary.

Role in creating

"Battle" the first generation of players in the generation will be pleasantly surprised to find that you can choose a race other than human beings other than. Guild Wars 2 provides a five races to choose from, human, Asura, Charr, the Norn, and plant morphology race Sylvari. Career is divided into eight kinds: the return of Mesmer (Mesmer,) Ranger (Ranger), Necromancer (Necromancer), elements (Elementalist) and Warrior (Warrior), the new guardian (Guardian), engineers (Engineer) and thieves (in Thief). Guild Wars 2, there is no pure supported employment, each job is more or less able to provide assistance for the team. There is no doubt that "fierce fighting" role of custom elements than its predecessor.

The role of death

In the "battle" after the death of the player will be sent to the recent resurrection of the altar. Generation, the player will have the opportunity to die state special skills to return to the fighting place. The other players can also revive you (with NPC line). If you do not get through the near-death state, it will mark the point in the recent resurrection. Knocked down may damage an armor, but you can look for the NPC to repair. A lot easier than the first generation of death penalty.

Role of equipment

And the first generation, "Guild Wars 2, you can also be the role of armor dyeing, and most of the armor has many can be dyed parts. Regression apparel armor, in the 2nd generation is called the "urban clothing". These armor manufacturing, drop and buy access to more stringent level of restrictions. Armor by the old runes to strengthen.

Team system

Dynamic content, even if not team can also be done in cooperation with other players, or even a single person independently, but the team, after all, is the better choice, "Guild Wars 2" crew from the early generation of 8 down to 5. In addition, ArenaNet has also joined the sidekicking system in Guild Wars 2 ", your rating will be adjusted based on the level of his teammates and track the contents of. The low level of such game content will be more challenging, low level players can always follow their high-playing friends to action.

The game economy

The auction house finally appeared in the Guild Wars 2. Official Wiki description of the auction is a global trading system, players need to find buyers and sellers can trade items. Unlike the first generation, "Guild Wars 2" has a wealth of goods and manufacturing skills and as long as pay a fee free conversion. Through the purchase of the collected material will be able to make various armor

and weapons, and even can also be items demolition recycling.

Gem system

Both games will need to purchase the game client, but the developers clearly need more support, so they launched the gem system. Guild Wars micro-transaction system is only limited to luxury goods such as extra storage space, clothing, etc.. But revealed that according to the the ArenaNet latest blog, "Guild Wars" micro-transactions into the trafficking of convenience and apparel items, In addition, players can also precious stones and gold transactions, the cash converted to game currency and vice versa.

Association of System

Association has been an important part of the "battle" series 2 on behalf of the guild system has been more improved, simplified and freedom of Association to create management tools, new entrants to the Society's achievements system, as well as the joint system of multi Association. There are elements of the multi-national Association, and the first generation, the player can choose a primary server, and then transferred to other servers. However, this service is not free in the Guild Wars 2.

Guild Wars and Guild Wars 2 does have a lot of different, but it is certain that ArenaNet will still bring us a very exciting game experience.
