Introduction of Dallas Pool Contractors by Microcell Systems

Article published on February 25th 2012 | Customer Service

Your Structure is your holy place â€“ a place to escape the trouble of daily life, connect with your family and friends and most importantly, have fun. We have always understood that a backyard pool is just a detail of a largest picture. We flourish ourselves on doing outstanding work. Here at Premier Pools & Spas, Inc. we are superiority to say we know pools and landscaping. Our philosophy has always been "Build a long term customer" not just make a sale.

Our caring, customer focused people make the difference. Each of our pool, spa or water feature projects is just as situation as the homeowner we are working with. From Dallas Pool design through project management services to complete build and renovate, we work closely with our clients ensuring that they are kept up to date at every stage of the project until completion.

Each of our pool, spa or water feature projects is just as unique as the homeowner we are working with. Our custom pools are designed and built to meet our clientâ€™s lifestyle requirements and walled environments from traditional pools...to smooth, modern negative edge pools suspended over cliffs ...to west coast artificial rock pools that blend into the natural landscape.

As a pool contractor who puts the customer first before the almighty dollar, we treat your Dallas pool contractors project the way we would like to be treated by a pool contractor. Dallas Pool Contractors builds custom free-form fiberglass pools, vinyl liner pools and Gunite (concrete) pools with virtually unlimited options. Our portfolio also includes custom spas, large commercial projects, and water features.

Dallas pool contractors is a specialist provider of pool support services representing world renowned manufacturers of widely established and respected brand names in the fountain, water feature, fish pond, sauna and Dallas pool construction and design. Prospect Ace Group's strong customer focus is to provide prompt service and product reliability. The core business strength lies in the diversified and inclusive nature of its services that are complementary to each other in providing a one-stop centre that brings together the best in steam bath, sauna, fish pond, fountain, infiltration system, water feature and Dallas pool contractors and design.

Our water features include spas fountains and more, and from warmed pools to salt systems we can go in any direction youâ€™d like us to! We use only top-of-the-line Hayward Equipment and cutting edge industry technology, not to mention the best warranty in the industry. Consult with us today!

Today - Within the industry, Premier Pools and Spas is well recognized and highly esteem. All of the Reed children and many of their grandchildren have gotten their training in business as they join the family enterprise one by one. Premier Pools looks towards a great future. We are positioned to successfully meet the exciting challenges that apply ahead and to continue to set the standard of excellence in our industry.

We take this all into consideration to make sure that the pools we build are more than just a hole in the ground filled with water.
