Totsy Reviews Admire Company for Providing Exclusive Deals on Kidsâ€™ Products by Manuel Nolton

Article published on January 23rd 2012 | Customer Service

Totsy reviews admire the company for offering the most efficient services to the customers. Totsy is dedicated in offering babies and kids products at the best prices. It is a renowned referral based private sale shopping site, offering moms and families with some of the most exciting deals available all over the web. Shopping events are designer-specific and are held over a period of up to 72 hours. The members are alerted for private sale events 48 hours in advance and each brand individual sale lasts for a total of up to 72 hours. As the sale events are only accessible to members, there are more opportunities for members to grab the deals. Membership is by invitation and free of cost. Customers can save an impressive amount on every purchase as sales are up to 90% off retail.

Totsy is ranked among Americaâ€™s most promising companies in Forbes 2011. It is a complete shop of apparel, accessories, educational toys, security items, cosmetics for moms and other family related items. Totsy reviews are written all over the web by thousands of satisfied customers and they have highly admired their superior and quick services. Their customer care executives are courteous and provide complete answers to all queries of the customers. Along with offering exclusive deals, Totsy is a hub of information, excellent advice and highest quality products for mom, baby and child. Totsy reviews also discuss that members can invite their friends to earn a $ 15 credit after their friendsâ€™ make first purchase at Totsy. As the company does not keep merchandise in stock and orders directly from the manufacturer, the shipping process generally takes 10 to 15 business days from the close of a sale event.

Totsy plants a tree in honor of their customerâ€™s first purchase. It is first company of its type to go 100% green. The company plays an important role in reducing the effects of deforestation, slowing the effects of global warming and preserving biodiversity.
