Cancun Tours-The Best Way to Enjoy Mexican Vacation by James Ros

Article published on February 9th 2012 | Destinations

Cancun Vacations offer the best way to explore some of the best tourist destination sites in Mexico. They offer the best combination of historical and cultural sites that attest to Mexico rich past. They also cater to many adventure and nature activities that will be sure to satisfy even the most ardent adventurer. The location of Cancun in the Yucatan Peninsula provides tourists with the perfect tropical weather that makes it the most ideal location to enjoy and have lots of outdoor activities. Travelers can choose to get the land tour or the sea based tour for the best vacation fun.

One of the most exciting Cancun activities that travelers would really enjoy is the many archeological tours available. The rich history of Mayan culture is present everywhere in this peninsula. Tourists will be able to view the majestic Mayan ruins dating back hundreds of years. There is nothing like the splendor that Chichen Itza offers. In fact it is considered to be one of the seven wonders of the ancient world. The many tours include stops at famous archeological sites in Tulum, an ancient Mayan city including the mysterious Mayan pyramids. Tourists also get to see a real Mayan Village. Visit Chichen Itza or Tulam, and see for yourself the amazing pyramids left behind by the Mayans.

Aside from historic tours, there are many things to do that will surely bring the fun into your hard earned vacation. Jungle tours provide an adventure type of activity that the entire family will definitely enjoy. The Yucatan jungle offers some of the most diverse wildlife on the planet. You can trek the jungles with a guided jeep tour in protected wildlife reserves. You will be able to see crocodiles, birds and iguanas all around in their natural setting. For the more adventurous traveler, take a zip line to see from above the magnificent foliage of the lush jungle.

For people who love the sea, they can go on a Cancun dolphin swim. Travelers would be able to enjoy an almost one hour live up close and personal encounter with the dolphins. Kids will be able to kiss, touch, play fun games and even get a once in a lifetime ride on their belly. This fun and exciting activity is supervised by dolphin professionals. Due to the immense popularity of this activity you can expect long lines of eager fans. In order not to be inconvenienced, it is best to make an appointment for the dolphin swim in advance. Explore popular theme parks like Xcaret and Xelha, where you can float around in the Mexican sun all day, snorkel, or even swim with dolphins.

Enjoy fishing at this place. Experience some of the best deep sea fishing, and it is all in and around sparkling waters. Other popular thing to do in Cancun is golfing. It is an excellent option for a golf course mixed with beautiful sights, challenges and fun.
