Compare and book Elba hotels on Elbareservation.com by Adryana Bygger

Article published on July 2nd 2012 | Destinations

Elba is the biggest island in the Tuscan archipelago, that it is made up of seven isles with Pianosa, Capraia, Montecristo, Gorgona, Giglio e Giannutri. Every island provides different kinds of accommodation: Elba hotels, residences, camping, bed and breakfasts. Elba Island has a very peculiar landscape on the coast and the hinterland is full of sanctuaries and villages, museums and archaeological monuments.

The sea is the vaunt of the Island and the beaches are very characteristics: gold sands and pebble beaches. The Sea is blue and crystalline, typical of the Ligurian and of the Tyrrhenian Sea. Elba island is one of the favourite summer destinations in italy, it is appropriate both for families with children and for friends who like sea and sports. On the Island it is possible to play sea sports like diving, snorkelling and sailing, and you can play extreme sports too: like free climbing or trekking.

Choose now your Elba hotels, is very easy! On the web site elbareservation.com is possible to book any kind of accommodation, depending on your available budget, on the type of hotel that you prefer and on the different taste every kind of taste, from more sophisticated and elegant to the more modest and simply. Consulting the web site and using the online booking, planning your holiday it will be very simple and amusing.

Elba hotels are located in the most suggestive places of the Island, close to the sea or near the wildlife reserve and they are all provided of each comfort. Booking online is simple and quick but with Elbareservation.com you can also use different typologies of booking: a toll free number or the call with Skype. In any case, an efficient call center will answer to any kind of question or request about your holiday or your accommodation on the island.
