India is a land of great wonder and sightseeing. Being the place of the world where a lot of cultures and civilisations had sowed their seeds, India today has a mix of culture and the effect of such a conglomerate can be clearly seen here. What this has done is that it has made India a land not to be missed at it has a lot of tourist and sightseeing sight spread across its length. This is the reason why it is the greatest tourism destination perhaps which the world today has. This is what has made India tours to be a popular take away for many tourism enthusiasts across the world.

To kick off your India tour, the best place is to start at the most popular wonder of the world â€“ the Taj. The Taj Mahal situated in the northern part of the country, in Agra, was built by the Mughal emperor Shah Jahan in the fond memory of his wife Mumtaz. This is a symbol of love which is crafted out of white marble, and has transcended times. Apart from the Taj, the city of Agra also has two very historic forts from the Mughal period to offer â€“ the Fatehpur Sikri fort and the Agra fort. If you are such a history enthusiast, head to the capital of India â€“ Delhi and see the wondrous Old Fort, the India Gate and the Fed Fort. All these places have had an important part in the Indian history and also reflect the effect of its erstwhile British rulers.

Apart from historical attractions, India is perhaps one of the very few countries inn the world today which has been blessed with climates of all kinds which the nature has. You can find temperate climates in the plains, or head to the Northern frontiers to enjoy the snowy peaks of the Mighty Himalayas. In fact a very large portion of the mighty Himalayan range lies within the borders of India and this is why a lot of hill stations such as Kufri, Kasauli, Dharamshala, Shimla and others can come in and complete your India tour. Kashmir , the northern most tip of the country is truly called the paradise on earth by Jahangir . This is where mother natures dances and sings in all its glory with the towering Chinar trees and picturesque locations. Kashmir is just eh perfect place to complete your India tour and make it a memorable one.

India seems to be a hit over the internet as well, as far as purchasing travel tours is concerned. This is why a lot of websites today are offering a lot of India tour packages which can help tourists get a feel of the country in the best way possible. There are short tours which take you to the major historical places within a week and there are also full length tours available, which take you through India and most of the places across the country in a tour panning days and days.
