While Darjeeling is obviously the cynosure of the Himalayan hill spots, you can also find plenty of attractive sightseeing spots under the package tour to Gangtok. This article gives you a peep into some of the fascinating things that await you in your trip to these beguiling hills.

If you are looking for a perfect place to holiday with your friends or family, head to the north east. If you are searching for an ideal honeymoon destination, catch the train to Darjeeling. Darjeeling is such an exotic hill station that you will be left mesmerized by the resplendent beauty it has to offer in plethoric abundance. Right from those silent ravines to the deep valleys to the awe-evoking Himalayan ranges and the soft clouds breezing past your faces, everything about this place is completely breathtaking. Tourists from every part of the world take a Darjeeling tour to get forlorn in the natural exquisiteness and the old world charm that this place has so effortlessly created.

With tea gardens around the verdant, steep slopes everywhere, there is an alluring quaintness (and old world charm) about this place that evokes a lot of nostalgia. The ambience is so ethereal that it is a romantic paradise for the love birds and newly wedded couple. The scenic beauty of the Kanchenjungha is simply eyeball popping. Tiger Hills is another scenic spot that falls under the north east packages. Then there is the zoo or the Padmaja Naidu that is a place for some of the most exotic birds & beasts including the rare pandas.

But nothing can beat the joys ushered in by the toy train ride. Several films have beautifully captured the rich legacy of toy trains as they smoke through the breezy hills creating a glorious ambience. But experiencing a ride in these caterpillar trains is definitely an out-of-the-world feel that is simply indescribable in mere words.

When in Darjeeling, you should also head to Gangtok (preferably under the package tour to Gangtok) which is only a few hoursâ€™ drive away. Gangtok is another hill station renowned for its flora & fauna and panoramic beauty. Its bejeweling flower nurseries, tea estates, waterfalls and streams set up a beautiful ambience that is extremely ecstatic. Package tour to Gangtok also comes with an exotic stay in amazing hotels & inns at economic rates. Sightseeing opportunities are plenty to keep you busy throughout the vacation.

North east packages also allow you to dig into the local culture, the local cuisine and the special Darjeeling tea. With such a picture postcard beauty around, your Darjeeling tour is going to leave you mesmerized and awestruckâ€¦.the memories that you take back will, of course, be invaluableâ€¦.
