Article published on March 21st 2012 | Destinations

Delhi is the National Capital of the Country and it had always been the Capital of Mughal kings in earlier days, leaving a number of monuments bearing historical importance, besides its approachability to summer time abodes of Himachal Pradesh, thus making Delhi tourism an interesting option for the traveler to plan oneâ€™s holidays.

Delhi is well connected by Air, Rail and Road, while the Indira Gandhi International Airport is one of the most modern airports in the World, accommodating the arrival and departure of flights from almost all the airlines, both domestic and international, it has two Railway Stations catering the need of public traveling in different directions and major bus stands at all the four boundary points with a number of pick up points for any traveler finding convenient to choose during Delhi tour.

Delhi transport system is well organized enabling the local Delhi tours done in different modes and means of transport that are available in the following manner:

â€¢Metro Rail, which connects various points at Delhi, Noida and Gurgaon and can be called the pride of Delhi, for its safe, enjoyable and quick travel to places in National Capital Territory region.

â€¢HOHO, a novel system running air-conditioned buses with Hop-in and Hop off at any point of destination, which are all places of interest under Delhi tourism, which has an accompanying guide, with facility to buy entrance tickets for Monuments of visit and above all having online ticket booking facility for the traveler to firm up oneâ€™s touring places in Delhi.

â€¢City Bus service, run by DTTC which are environment friendly and with ticket fares astonishingly cheap as compared to other modes of transport

â€¢Auto Rickshaws and Taxis which are available in plenty, with earmarked stands of availability and also services available on phone calls, with prescribed fare structure, with due additional charges for night travel and excess luggage.

â€¢Radio Taxi service is the recent entry to Delhi transport system, through which a traveler can commute local distances by calling the taxi by a phone call or net-call, which is digitally monitored through GPRS with full details of the vehicle and driver furnished to the customer well ahead of the travelerâ€™s engagement.

â€¢Car Rental Service offered by DTTC besides those offered by many Travel Agents, booking for the cab being facilitated online through the web portals.

Travel agencies conduct Delhi tours designed for sightseeing and entertainment, and also for various Delhi tours to visit destinations such as Agra, Jaipur, Chandigarh, Amritsar, Haridwar, Manali, Shimla etc, whilst all these packages of Delhi tourism can easily be booked online in the Travel Agentsâ€™ Web portals.
