Australia is one of the leading countries of the world that provides adequate job opportunities. In fact, this is a country that also offers working opportunities to the tourists. So, if you are planning to visit this wonderful country and also opt for working in Australia then applying for working holiday visas Australia would be the best option.

Before you discover the joy of working in Australia it is very much important that you understand the rules and eligibilities related to Australian working holiday visa. This will not only make you well equipped while applying for the working holiday visa Australia but also help you to know the kind of work opportunities available in Australia.

Letâ€™s first know about the important eligibilities required for Australian work visas. One of the most important eligibility criteria is the applicant must be between the age group of 18 and 30 and should not have any dependent children. Secondly, the applicant must be the holder of a valid passport which must be a year old. The applicant is visiting Australia purely for the purpose of holiday and work opportunities is taken to support the travelling cost. The applicants must also have all the necessary documents to show that they have sufficient funds to take care of themselves after reaching Australia.

One of the important criteria of working holiday visa is applicant must be outside at the time of applying unless the person is applying for 2nd working holiday visa Australia. Passport holders of countries like UK, Canada, Netherlands, Sweden, Norway, Denmark, Italy, France, Japan etc. can apply for the Australian working visa. Overall passport holders of 18 countries are only eligible to apply for this visa. The list of these countries are available online which the applicant can check out before applying.

Health criteria is another important aspect that one must meet. In some situations the applicant might require to undergo health examinations. The applicant is required to submit doctorâ€™s certificate that declares that the applicant is fit to travel.

With Australian working visa the holder has the right to travel to Australia within one year from the date the visa is granted. The holder of Australian working holiday visa can leave or re-enter Australia within these 12 months.

One of the most common questions that arises in the mind of the applicant is about the kind of work that the person will get. Work can be expected in the fields like plant and animal cultivation, tree farming, construction work and mining. If you are wondering what a specified worker is, here is the answer. It means task given to a worker in primary industries like plant and animal cultivation, fishing and pearling, tree farming and feeling, construction and mining.

After one has worked as a specified worker, the person becomes eligible for applying second Australian working holiday visa. This visa can be applied for both onshore and offshore Australia. The second working holiday visa allows its holder to stay in Australia for another 12 months. In order to apply for this visa the applicant must provide the necessary details of the specified work that one has done with the first working visa Australia.
