Enjoy the Beauty of Prague During Weekends by [Julia Roger](#)

Article published on May 18th 2012 | [Destinations](#)

Prague is a beautiful city located on the Vltava River. This capital city of Czech Republic is one of the major tourist destinations of Eastern Europe. If you want to plan a weekend trip then a weekends in prague is the best option for you.

Prague is a unique combination of old charm and modern glam. There are certain buildings in central Prague that hasn't changed for the last 300 years. Then there are modern buildings that are marvels too. prague weekends are perfect for art lovers; there are amazing galleries, museums and theaters in the city. There are many famous landmarks to visit and you can enjoy the beauty of those places during the daytime.

Prague has many good hotels and restaurants, and the best part is that there is something for every budget. There are five star hotels as well as amazing roadside cafes too. When it comes to entertainment there are many music festivals held in the city during the summers and winters. Prague has an amazing night life there are plenty of bars, pubs and clubs where you can party all night. Compared to other European cities Prague is much cheaper.

This city is well connected to the rest of the world. As for the transportation within the city you will find everything from trams to taxis, but some places are best enjoyed walking.

Prague has an oceanic climate. But the winters are really cold and the summers are very hot so the best time to visit will be during spring or fall. When it comes to arranging for your weekends in prague it's best to buy a package. It will include everything from accommodation to sightseeing as well as up and down flight charges. As per the price of the package that depends upon the number of people and the type of accommodation you choose.
