by Swati Singh

Article published on December 12th 2011 | Destinations

Mauritius is among the most amazing countries in the world. It is a small island nation in south East Asia. The country is surprisingly beautiful as there are many golden beaches in the place that attracts the travelers across the world. It is an ideal place for the honeymooners as it has private scenic beaches and destinations. Mauritius marvelous wildlife and national parks and rich flora and fauna, night life, fun and food parks, huge market place with all brands, wonderful beaches, cultural and heritage beauty, mouth watering and delicious cuisines attract the vacationers from all over the world to explore the place closely.

Mauritius consist not only beautiful beaches but also serve the tourist to explore the wealthy and cultural heritage of the country and beauty. Tourism of Mauritius has changed extremely and today the country has look behind. The increasing footsteps of the travelers make the natives of the country proud of their country in which they are living.

Various topmost destinations that vacationers love to visit in the Mauritius are:

Beautiful Beaches in Mauritius

Mauritius is mainly known for its beautiful beaches. The pristine environment of the place calls people from the world. The swaying palm trees along with blue water in the sea and the sand colored in the soft brownish yellow are amazing and tempt the vacationers, honeymooners and especially the nature lovers. The splendid combination of the azure water with the white cold sand calms the soul of the tourists and above all these scenic green natural beauties gives freshness to the onlooker. Many people enjoy water sports to make the Mauritius tour an unforgettable experience. Special private honeymoon beach resorts are organized for them so that they spend their invaluable time with each other in privacy.

Wildlife Fun in Mauritius

Mauritius has few wildlife sanctuaries and parks which are habitat of various birds and animals. The wildlife national parks are well managed in the Mauritius with best facilities and services provided by the government of the country. The evergreen beauty and the soothing climatic conditions give rise to wildlife that attracts more people across the globe. Some of the well famous wildlife sanctuaries are La vannille Crocodile Park, and Black river gorges national park and Domaine du Chasseur.

Besides all these attractions there are other marvelous destinations in Mauritius which are very valuable in terms of money. Port Louis the capital of the island nation Domaine les Pailles, Eureka house, Grand Bassin, Le Caudan Waterfront, Grand baie and Park and many other destinations are some of the most visited destinations in the Mauritius.

The island nation has gained a remarkable success in the world of tourism which is the backbone for every country. So come and enjoy the tours of Mauritius with picturesque scenes. Explore the wonderful places and enjoy cherished moments in a pleasurable and delightfully. Mauritius is the unique place and most preferred destination in the world for all tourists.
