Explore the Magnificent Art and Construction through Golden Triangle Tour by Sara Hasan

Article published on December 8th 2011 | Destinations

Magnificent art and construction is the one thing which attracts every type of tourists having any interest. Tourists are bind to come, visit and explore the wonderful architecture if the construction is of world class level. You can find the one of this type in North India. North India architecture and art is known for its charm, attraction and fascination through out the world. Moreover, North India is so big to travel in one chance or in a limited span of time, so, to explore the North India in a well organized way, one should visit in an organized way and this organized scheme of touring North India is known as Golden Triangle Tour. The three main cities of North India which are covered under Golden Triangle Tour are Delhi, Jaipur and Agra.

Delhi is the capital of this big country. Delhi has a prosperous past from the time of Mahabharta. At that time, Delhi was known as Indraprastha and was the capital of Bharat which is now politically known as India. Golden Triangle Tour's first destination is Delhi. Here one can visit, Humayun's Tomb, Red Fort, Jama Masjid, Purana Quila, Qutub Minar, India Gate, Rashtrapati Bhawan, Parliament House, Raj Ghat, Vijaya Ghat, Lotus Temple, Akshardham Temple, Chatarpur Temple, Iskon Temple, Buddha Garden, Lodhi Garden etc. Here you will also find the enchanting avenues of shopping with modernity for every age and size. Delhi has world's latest variety, style and fashion. The famous markets in Delhi are Sarojni Nagar Market, Lajpat Nagar Market, Kamla Nagar Market, and Karol Bagh Market etc. Apart from that you will also find luxurious shopping malls here which will definitely have top most brands for you. Delhi has everything to offer to its tourists of any taste.

The second halt of Golden Triangle Tour is Jaipur which is known as The Pink City. Jaipur is basically famous for its world class heritage and architecture only. The historical monuments here so beautifully designed that tourists are attracted towards the beauty of this art. And on top of that, each and every building is made by Pink Stone which enhances its beauty to hundred times. The places to be seen here are Jantar Mantar, City Palace, Nahargarh Fort, Amber Fort, Jal Mahal, Hawa Mahal, Sheesh Mahal, Birla Mandir, beautiful gardens and culturally rich shopping centers where you can buy cultural stuffs which are hand made. Jaipurâ€™s handicraft is famous world wide.

Third place left in your tour is Agra and we all know that Agra is globally famous for Taj Mahal. It is considered as UNESCO World Heritage. This magnificently designed white marbled structure was built by Mughal Emperor Shah Jahan for his beautiful and loving wife Mumtaz Mahal. The other structures to be watched here are Fatehpur Sikri, Agra Fort, Itmad-Ud-Daullah's Tomb, Rambagh, Dayal Bagh and Sikandra. These monuments are also known for their wonderful architecture. Tourists are pleased when they explore such art with their eyes.

This circuit is the most famous and most preferred tourist circuit of North India where one can enjoy the beauty and versatility of these monuments as these cities has preserved their beauty from the time since they were designed. If somebody wants to explore the rich architectural heritage of India, one must visit it through Golden Triangle Tour.
