Article published on February 14th 2012 | Destinations

What makes India stand prominent among the worldâ€™s major vacation destinations is that the nation is blessed with heart-throbbing natural beauty spreading all though its corners. The country has countless of natural wonderments which range from vast deserts to dense rain forests, and majestic mountains to appealing beaches & waterways. Its wealth of natural grandeurs is truly worth exploring for nature lovers. Considering the Indiaâ€™s hot spots for nature enthusiasts, they are enormous and unique with their own charms. Some of the most popular among them are briefly detailed below.

Kerala: This tropical paradise is one of the most favored destinations for eco-tourists in India. Blessed with wonderful facets of nature, rich flora & fauna and a year-round tropical climate, this tiny state attracts millions of backpackers annually. Kerala is home to a number of wildlife sanctuaries, virgin forests, coral beaches and fascinating hill resorts which provide a feast for eyes. Besides this, getting through its mystic waterways with an amazingly designed houseboat is an experience like never before. Moreover, traditions & cultures, ayurvedic treatments and an exotic range of flora & fauna make Kerala an ideal treat for lovers of nature.

Ooty: Ooty or Ootacamund has long been frequented by nature lovers from different parts of the world. One of premium hill resorts in South India, Ooty is adorned with unsurpassed natural beauty, unique serenity and vibrant traditions and cultures. An Ooty tour is highly preferred by nature lovers and adventure enthusiasts. Blue Nilgiri hills, long stretches of tea plantations, cascading waterfalls and appealing lakes are some alluring features of an Ooty package, offering great delights to the visitors. Breathtaking natural vistas here coupled with pleasant climatic conditions create a soothing environment thatâ€™s perfect for romantic couples.

Kashmir: Itâ€™s said that Kashmir is the most beautiful place on this earth, and for sure the reason is it natural grandeurs. Here, visitors get to see an unchallenged beauty of nature. Sky-kissing mountains coved with white layers of snow, scenic trekking trails, wonderful valleys and tranquil lake, itâ€™s truly a paradise for lovers of nature. Heavenly beauty of this place will make you forget everything around you. Soothing climate and fun-filled adventures here also allure tourists in hoards.

Andaman Islands: One of the most beautiful islands on the earth, Andaman is thronged by millions of tourists from far and wide. One of the seven Indian Union Territories, Andaman is highly renowned as an eco-tourism center. Amazing beauty of its tranquil hills, blue lagoons, virgin forests and mighty sea can leave anyone spellbound. Apart from that, interesting aqua life and wildlife at Andaman is also a feast for eyes. Being on an Andaman getaway, you canâ€™t avoid its enchanting tribe cultures and fests. Offering so much to explore, Andaman packages are highly demanded among nature-loving tourists.
