The largest city and capital of France situated on River Seine is Paris. It is one of the worldâ€™s leading culture and business center. It also influences in education, media, fashion, culture, politics and entertainment. The city also includes two islands. Paris bends towards north and its surface is flat. The region bears oceanic climate which is moderately mild and wet at times. It canâ€™t be hidden that Paris is considered to be worldâ€™s most popular destination. A research shows from city convention and visitors bureau that many tourists visit the city. In order to admire the attractions of the city with pleasant weather visitors can search the flights of best fares.

The city enjoys year round charm. May be some seasons will be more attractive to certain visitors than the others depending upon on their tastes and preferences. People can buy the cheap tickets to Paris according to their comfort. First time visitors should come in the spring season. In this season the Paris is full of natural beauty with blooming flowers and thick lush horse chestnut trees. Women always fantasize for shopping and so they will enjoy a lot in spring due to low price of goods. For tennis lovers this season would be best for them to avail the tickets to French Open. The climate in spring months is unpredictable where you can enjoy both hot humid or windy rainy weather.

Now days many online sites provide privileges to their tourists in getting the cheap plane fares tickets. The height of visitors to Paris can be seen in summer season. The famous attractions such as Eiffel tower, Notre Dame and the Louvre can only be enjoyed if tourist has done pre booking for them. The climate is hot and humid but still the city enjoys many attractions planned by city officials. The event of Jazz festival at Parc Floral is celebrated with great beats. In this music festival tourist will adore a lot. Even though many high branded products get discounted and are put on sale.

Focusing on the autumn weather the climate is mild and dry; one can enjoy the event of Nuites Blanches where all galleries, museums and art related institutes are opened to the public all day and night for free of charge. This period is considered to be the good time to cheer where tourist can participate in chocolate fair also. Even though tourist will not find problem in getting hotel accommodations as in this season lately October end the prices dip. Tourist who wants to save money in getting high price accommodation can plan their vacation in this season. For doing this they have to book the flight to Paris as soon as possible.

The prettiest Paris can only be seen in winters with snow. The days are gloomy and cold with grey skies. Foodies will enjoy a lot in this climate. Many varieties of cuisines are enjoyed by heart. A famous dish known as Cassoulet made of white beans and confit of duck or pork will make the non vegetarians to lick their fingers. Tourists must pack up their bags and avail the cheap flight to Paris to enjoy Christmas which is celebrated with great pomp and show. The market in this fest presents home made products to knitted sweaters and even hand painted wooden toys. Ice skating can also be enjoyed with glory at this event.
