Javea is Worth Exploring in Spain by Frederick Pollard

Article published on July 4th 2012 | Destinations

Javea is a town in Spain that is worth exploring. The people that are obsessed with rainfalls in Europe should head towards this Spanish town because it remains sunny more than 300 days a year. It is a perfect holiday destination worth exploring because it is historical as well as modern with having everything for the visitors.

There are some excellent beaches in Javea. Two beaches in the area are big while there are many small ones. The beaches in the area are very clean and peaceful. People enjoy there having splendid views of the sea and free parking in the area. One of the famous beaches in the area is L Arenal. It is famous because it has golden sand and there are all the modern day facilities available on this beach in Spain. There is also an impressive river in Javea which is famous for Boating.

The people that wish to experience scuba diving in Costa Blanca head towards this town. The reason is that the underwater life in this area is amazing. There are many diving centers in the area for the same reasons. There is a karting center located near the beach in Javea. The benefit of this karting center is that it offers services like swimming pools, karts and of eating. Similarly there is a mini golf club in this town for the sports lovers and there is a tennis club too.

There is a famous Fontana Castle in the area. It was built in the fifteenth century. It was destroyed when British invaded this area in the nineteenth century. There are remains of the old castle well preserved by the authorities still present in the area of Sant Bartolome Church. In fact the whole of old town is impressive for the history lovers as well as for the ordinary visitors to the place.

The people that visit Javea get all kinds of facilities in the area. There are shops, restaurants, cafes and bars for all. There are several radio stations and internet facility available in the area. There are adequate options of staying available at very affordable rates. One can find cheap and tasty breakfast at some of the finest restaurants in the area. There are bonus coupons for breakfast also available in the local restaurants. The services are excellent and the visitors feel as if they are important because they get special attention.
