Article published on May 3rd 2012 | Destinations

Kerala package tour is one of the most sought after packages for travelers. Kerala is one state that has a lot to offer; right from wildlife, backwaters, beaches to hill stations. With so many things to do in the Godâ€™s own country, Kerala honeymoon packages are a hit.

One of the most preferred destinations in Kerala honeymoon packages are the hill station here as they are less crowded and offer amazing peace and tranquility. Most of the crowd on honeymoon prefers heading towards the backwaters and thus the virgin beauty of the hill stations remain unexplored like Munnar, Pythal Mala, Wayanad, Ponmudi, Ranipuram, Peerumade, Tusharagiri, Ezhimala etc. Some of the prominent hill stations of this region are included below:

Munnar Hill

Three mountains Mudrapuzha, Kundala and Nallathanni meet where Munnar is situated. Being considered as the most beautiful hill station in Kerala, every Kerala package tour includes it. One can experience self that nature is at its best at this hill station. Those who are looking forward to peace of mind should visit Munnar which is one of the moset serene places to visit in Kerala. Indeed the best place in Kerala honeymoon packages, romance is in the air of this place. One can still see the impressions of colonial india here which existed hundreds of years ago. The exotic flora and fauna of of the region can be explored at Neelkurunji plant and Nilgiri Tahr which is an endangered animal now. Visit the Eravikulam National Park other than climbing the beautiful hills.

Mattupetty

Mattupetty hill station is famous in Kerala package tour for its Indo-Swiss livestock dairy farm project. There is a beautiful lake to explore other than a dam which placed near a picnic place. One cannot miss the Kundala tea plantations situated close to the place.

Pothamedu

Merely six kilometers away from Munnar is Pothamedu which has coffee, tea and cardamom plantations to offer; one of the major reasons for its inclusion in Kerala package tour. The scenery here is breathtaking owing to the lush green hills and many adventure lovers prefer trekking and cycling here.

Devikulam

Enjoy the rarest flora and fauna at Devikulam hill station which also houses Sita Devi Lake. Fishing is the preferred thing to do in this region and many couples on Kerala honeymoon packages prefer taking a dip in the mineral spring waters, for which Devikulam hill station is best known.
