In honeymoon, some may feel like being asked to navigate an airplane out of the blue. You will have no idea about what to do. Everything is trial and error. With marriage one has entered into a vow of partnership. To make this partnership successful the mutual understanding has to become impeccable. Honeymoon is also a period to work on this. One would need plenty of moments of intimate seclusion where one is alone with one's sweetheart, to exchange love, dreams and experiences. That is why most choose to go for a trip to some nice destination. One would also aspire for exceptional experiences from the trip that one may cherish for long.

Honeymoon in Kerala is sure to be well suited for your needs. Honeymoon packages Kerala will offer plenty of space for intimate seclusion and exquisite experiences that one will not forget.

Kerala is situated in the Malabar Coast of south western India. This coastal territory is nestled between Western Ghats and Arabian Sea.

Out of the beach locations of Kerala honeymoon packages, Kovalam is the more preferred by honeymooners. The history of Kovalam is interesting. The tourism potential of Kovalam was discovered by Travancore Kings and is one of the oldest known tourist spots of India. The real honeymoon of Kovalam started with the arrival of Hippies to this place in ninety seventies. They horded to Kovalam like anything. With that Kovalam found a place in the global tourism map. Kovalam is situated thirteen kilometers away from Thiruvananthapuram, the capital of Kerala and is easily accessible through road. There is also an airport at Thiruvananthapuram. The seas of Kovalam are not too deep and one can go into the sea about hundred meters. This fact and suitable weather makes it safe for you to play in the waves till your heart says enough. The white sandy beach extends an invitation to bask in the sun. You and your sweet heart can lie side by side exchanging love talk and amorous glances furtively. There are many attractive coral reefs near the shore and you may go snorkeling for an underwater view. The accommodation facilities and quality of service on offer in Kovalam is first class guaranteeing for a comfortable stay. One noteworthy thing is that most resorts of Kovalam are in the vicinity of the beach. You could savor the eerie ambience throughout the stay.

Munnar is the mist shrouded hill station which would do any honeymoon packages proud. This gorgeous paradise is situated one thousand and six hundred meters high and stands near the confluence of three rivers. In the salubrious climate you will not feel like leaving each other. You may spend quality time huddling to each other exchanging everything you have. If you have an adventurist impulse, Munnar is apt for trekking and mountain biking. Magnificent views are on offer with its spectacular hills, undulating meadows, trimmed tea gardens, fabulous colonial bungalows, scintillating waterfalls and sprouting brooks. Munnar has many interesting sightseeing spots nearby. The glimpse of Nilgiri Tahrs – an endangered species in the Eravikulam National Park nearby will be a romantic experience deeply etched in your memory.

Kerala trip is considered incomplete if you fail to test the backwaters. Kumarakom is an ideal spot to savor backwaters. It is a tiny village blessed with all the bounties of backwaters.
