North India has so many wonderful locations that are ideal for Bird watching. Birding tour to north India should ideally cover these locations, Corbett National Park, Ranthambhor National Park, Fort Unchagaon, Garmukhteshwar, Nainital & Sat Tal and Sultanpur bird sanctuary.

Corbett National Park is about 7-8 hours journey from Delhi, during last 2 hours of drive you will get to watch birds and Wildlife of this park. In the morning and afternoon you can visit grasslands and forest areas, and the track along the Ramganga river which is good for Birding especially for wet birds like river lapwings, waders and mergansers, jungle owl, spot-bellied owl, common stonechat, black francolin, purple and crimson sunbird. Elephant safari is the best way to go through grassland and forest areas of Corbett national park, it is the best mode of transport for wildlife viewing in the park.

As far as birds are concerned in Dhikala the best locations for birding are Sambhar road and Khinanauli, here one can expect to see beautiful birds like slaty woodpecker, puff-throated babbler, white-rumped shama great hornbill and many more.

Sat-tal in Lal Kuan is famous for its variety of Himalayan bird species such as red-breasted accentor, blue-throated barbet, chestnut-headed tesia, greater & lesser yellow-naped woodpecker, dark-throated thrush, rufous-chinned laughing thrush, black bulbul and many others.

National Chambal Sanctuary - It's three hours away from Mathura and if you are lucky, here you might watch beautiful birds like Indian skimmer, black-bellied tern, flocks of migratory waterfowl and other species include crocodile, Gangetic dolphin and turtles.

Ranthambhor National Park - It's an amazing place for bird watchers and here they can expect to watch sirkeer malkoha, desert wheatear, southern grey shrike, painted sandgrouse, Indian courser, yellow-wattled lapwing, Isabelline wheatear and many other.

Around Delhi city Sultanpur bird Sanctuary is a great place for bird watching. It is around 40 kms away from Delhi and situated in Haryana state. It has been declared as national park by Haryana government. It is an ideal place for bird watchers for Birding Tours. In past Years Haryana government has done a lot to improve infrastructure and facilities in this park.

This bird sanctuary is famous for migratory birds, a huge number of migratory birds come here. Among these migratory birds include White Wagtail, Northern Shoveler, Rosy Pelican, Gadwall, Wood Sandpiper, Black crowned Night Heron, Eurasian Golden Oriole, Comb duck, Comb duck, Blue cheeked Bee Eater, Blue-tailed Bee-Eater. It generally takes two hours to visit the whole park by foot.
