Magnificent places of North India by Sara Hasan

Article published on January 28th 2012 | Destinations

The Northern India holds a great history and glory which connects its peopleâ€™s present to their past. The Northern part of India includes gorgeous locations which are liked by national and international tourists. The Northern part of India includes hill stations, pilgrimages and places of historical and cultural importance. These places make India the cherished destination among tourists even from outside borders. There are different places which are considered as the jewel of Northern India. Kashmir, Nainital, Shimla, Lucknow, Vrindavan, Mathura, Amritsar etc. are few places which lure the Northern India. Apart from these beautiful destinations there is Golden Triangle Trip. Golden Triangle Trip is recognised for its key attractions and cultural value. The Golden Triangle Trip of Northern India involves major cities of the country like Delhi, Jaipur and Agra. These three cities are considered to be the most attractive destination among the tourists. It provides with the best locations of the country, its delicious cuisine and of course its heart whelming culture and tradition that attracts tourists from all over to globe to the mysterious country like India. The key attractions of the famous Golden Triangle Tour cities include various monuments and architectural structures along with the enriching value of culture of every city it covers.

Delhi the first place of the Golden Triangle Tour involves great historical monuments and other eye-catching places. Situated on the banks of river Yamuna, Delhi houses many important building of the country India. The important buildings include Parliament House, Supreme Court, Rashtrapati Bhavan etc. There are various other places of historical importance like the Red Fort(also known as Laal Quila in Hindi), Quitab Minar, Humayunâ€™s Tomb, National Museum, Birla Mandir, Akshardham temple, India Gate, Lotus Temple, Jama Masjid, Safdarjung Tomb, Firoz Shah Kotla Tomb etc are places which are of great historical importance and attractions to the tourist visiting India. Visiting Delhi through Gloden Triangle Tour is a eye treat for tourists.

Jaipur is the next tour of Golden Triangle Tour. The royal city is known as the Pink city and is the capital of Rajasthan which is known as the Indiaâ€™s royal state. The city of Jaipur is very well known for its Forts and palaces. Some of the famous forts and palaces involve Jaigarh Fort, City Palace, Naharagarh Fort, Sheesh Mahal, Amber Fort, Hawa Mahal, Jal Mahal etc. Other places include Birla Temple, Jantar Mantar, Lakshmi Nrayan Temple and Chokhi Dhani which is a cultural village resort.

Golden Triangle Tour and Agra is the favoured destination among tourists both national and international as it houses the most beautiful monument of the world. Taj Mahal was built during the rule of Mughals. It was made by Shah Jahan who in the love and memory of his third wife Mumtaj Mahal built the astonishing model of love. The famous Taj Mahal is a great instance of Indian, Persian and Turkish architecture done by Mughal Emperor. It took many years for Taj Mahal to be built, this is probably the reason it is the most admired mausoleum in the entire globe. The dedication of Emperor and the hard work of the workers and architects involve in the making of Taj Mahal today makes this the beautiful masterpiece of architecture in the entire world. There are other places in Agra which are of great historical significance like Red Fort and Fatehpur Sikri.
