Honeymoon is that sweet little period of time when you want to be secluded with your sweetheart sharing some intimate moments. Dotted with love talk and sharing of dreams for future, you like everyone else will want to make it memorable. You long for some extraordinary experiences and a beautiful setting. Kerala is an ideal match for your honeymoon requirements.

Kerala is located in Malabar Coast in south western India. This predominantly verdant piece of land is nestled between Western Ghats and Arabian Sea. Pristine beaches, mist covered hill stations, supine backwaters, exotic wildlife sanctuaries, verdant landscape and suave art forms â€“ the attractions Kerala Honeymoon Packages offer are colorful, rich and diverse.

Savoring the setting, while just travelling in Kerala, in itself is a visual treat which will make your honeymoon remarkable. The emerald setting interspersed with various hues and textures will be etched in your memory forever.

The prominent hill stations in Kerala are Munnar, Wayanad, Wagamon, Peermade, Nelliampathi and Ponmudi. Munnar is the most important of the lot. Munnar Honeymoon Packages will take you to a gorgeous paradise which is blessed with salubrious climate. This mist shrouded hill station is situated at one thousand and sixty meters high and stand near the converging point of three rivers. Spending some time under the blanket huddling together exchanging everything you have in the chill will enhance the essence of your honeymoon. Endowed with exotic flora and fauna, embellished with green carpet of manicured tea gardens, home to cascading waterfalls and gushing brooks and adorned by colonial bungalows, Munnar is an ideal destination for trekking and mountain biking. Some places of notable worth nearby to Munnar are Eravikulam National park, Anamudi Peak, Mattupetty, Pallivasal, Chinnakanal, Anayirangal, Rajamalai, Echo Point, Top station and Tea Museum. A sight of Nilgiri Tahrs, an endangered species will add to the album of romantic memory.

Your honeymoon in Kerala will be even more unforgettable when you savor the backwaters. Backwaters is an unique Kerala phenomenon. It is a complex network formed of manmade and natural canals and inlets, estuaries of over forty rivers and five lakes. Backwaters makes for fascinating landscape - with shores lined by abodes, swaying coconut trees, verdant flora and lush green paddy fields, fishing nets and various activities of life and waters embellished by water flowers especially water lilies. A cruise through backwaters savoring this landscape will be a mind blowing experience. Alleppey, Kochi, Kollam and Kumarakom are the main centers of Backwater tourism, while Kumarakom is the more preferred by honeymooners.

Kumarakom is an idyllic little village blessed by all the distinctiveness of backwaters. The accommodation facilities and quality of service offered are superlative making for a comfortable stay. Apart from that, there is a bird sanctuary in Kumarakom. The music of birds will make your lovemaking more erotic.

Houseboats are the icons of backwater tourism. Houseboats are the modern luxurious versions of erstwhile â€œKettuvallamsâ€•. Houseboats come with sleeping space, dining space and a sit out open on all sides, from where you can savor the backwaters in the sweet company of your sweetheart. Spending a night in Houseboat docked in backwaters will make for a remarkable honeymoon experience.

Out of the beaches, Kovalam is the most sought after. The endearing thing about Kovalam is that it

has not lost its innocence despite being highly crowded and commercialized.
