Article published on January 19th 2012 | Destinations

Are you looking for an overseas vacations where you can visit with your family and friends and spend some quality time together if yes then look no further than Malaysia one of the most visited destination of southeastern part of Asia. Whatever you are looking for be it honeymoon, family holiday, adventure or any, it perfectly knows how to make it possible in Malaysia. Malaysia is a country in Southeast Asia, located partially on the peninsula of the Asian mainland and partly on the northern third of the island of Borneo. With exciting night life, world class, hotels, friendly people, excellent hotels, pristine beaches and spectacular landscapes, it fascinates encourage tourists from every nook and corner of the world, all the year world. There are so many reasons that why any one should choose Malaysia as their holidaying destination.

It is one such country where there is no shortage of attractions and enjoyment, as the romance flows in the air. Apart from if there is any other thing that fascinates tourists most then itâ€™s brilliant and fascinating culture which includes so many parties and colorful celebrations. Whether you are nature lover or either wishes to experience true metropolis life, it is the perfect place to get in. considering tourists vacations and values, we have made tailor made Malaysia packages tours which covers almost every thing to the backpackers.

There are so many things to explore in this country as it is bestowed with so many attractions and destinations having their distinctive features however to explore all of them is not possible thus we are presenting the top sought attractions the visitors.

Petronas Twin Tower

An essential part of Malaysia Travel Packages, Petronas Twin tower is one of the major attractions in Malaysia declared the tallest buildings in the world surpassing the 442-meter-tall Willis Tower in Chicago, U.S.A- these twin wonders, located in the heart of Kuala Lumpur, contain a complex of office buildings, conference halls, a sprawling 50 acre park and an up market shopping complex.

Melaka Historic City

Many years before, Melaka was one of Malaysiaâ€™s most visited destinations. Before Kuala Lumpur modified from a malaria-infested Jungle into polished high-rise capital, it was one of the greatest trading ports in Southeast Asia. Afterwards its changes from a thriving port into a sleepy backwater city and lost its spot as a must visit destination to its high-rolling cousins.

Penang

A fascinating blend of eastern and western influences, Penang is Malaysiaâ€™s most visited destination visited by tourists from every nook and corner of the world. This stunning island manages to hold modernity while retaining its colonial past. Due to the well-preserved heritage buildings Penangâ€™s capital Georgetown, has been accorded a listening as a UNESCO World Cultural Heritage Site.

Sky Bridge

It is undoubtedly one of the major attractions in Malaysia takes visitors all the way up to Mount Mat Cincang, Langkawiâ€™s second peak. Entering the village and passing through the picturesque landscapes, oriental gardens and etc, visitors make their payment at a counter before stepping onto an escalator which brings them to the cable-car pedestal. Besides there are many other attractions

that can be explored through Malaysia Tour Packages named as Menara KL Tower, Penang Hill, and many more.
