Manali packages: Take an exotic holiday in the land of snow and skiing by [Pradeep Kumar](#)

Article published on June 12th 2012 | [Destinations](#)

Summary: Manali is a charming hill station and a hot tourist destination. When one thinks of Manali what leap to mind are its picturesque locales, snow-clad mountains, River Beas and the apple orchards. This article is an attempt to highlight some of the elements of Manali packages.

Manali is an enchanting and quaint hill station perched at a height of 1926 m in the state of Himachal Pradesh in north India. Manali tour draws tourists from every part of the country. Even foreigners make a dash to this heavenly place to enjoy the charming landscape and dig into some shopping & sightseeing. Manali is a perfect amalgamation of scenic viewpoints, hypnotizing landscape, sprawling apple orchards, shopping markets and an exuberant local culture. The people in this part of the world are extremely warm & hospitable. You are bound to have a great time in Manali whether you are heading for a family vacation or for a honeymoon.

Manali has become one of the most loved tourist destinations in recent years. You are advised to buy Manali packages in order to save time and money. Manali's central attraction is The Mall (main bazaar) which boasts of trekking areas, shops and eateries. You can have the time of your life at The Mall digging into some delicious food and trying your hands on trekking and mountain climbing. If you wish to enjoy the bliss of ice skating and skiing, then you are advised to take a Manali tour during winter. Though the weather may be a bit cold at that time, you will certainly love the snowfall and the winter games. However, for idyllic weather conditions, the best time to visit Manali is between May and October. But try to avoid the monsoon months!

Manali sightseeing: Under the Manali packages, you can go on a pleasant sightseeing spree. Hadimba Devi Temple is one of the biggest attractions of Manali. It is an old temple built during 1553 and located in Dunghri village. It is surrounded by woods and has animal carvings all over it.

The old Manali or Manaligarh is another hot tourist spot. It is a charming and quaint village replete with orchards and fields. It will transport you into an ethereal world and evoke lots of nostalgia. You should also check out the Tibetan monasteries including the famous Gadhan Thekchokling Gumpa. Other notable sightseeing locales of Manali are Rohtang Pass, Beas Kund, Snow Point, The Great Himalayan National Park, Vashist Baths, Jagannathi Devi Temple and Pandoh Dam. Manali also boasts of some fabulous trekking areas like the Manali-Lahaul area. Other outdoor activities that you can enjoy in Manali are camping, rock climbing, mountaineering, fishing and jeep safari.

During your Manali tour, you must also indulge into a bit of local shopping purchasing handicraft, carpets or souvenirs in The Mall. Manali also has a string of restaurants, eateries, caf   and food stalls. You can also find excellent food in the Manali hotels. For accommodation, you can either check into some Manali hotels or find lodging in guest houses, inns and lodges. Manali boasts of all the facilities that modern life has to offer. Amidst the snow and the mountains, you are bound to have an unforgettable time.
