Many of us secretly harbor the desire to charter into unknown lands, travel to beautiful and exotic locales, and different kinds of terrains. The places that come to our mind first are Switzerland, England, Europe, Australia, Bangkok, Thailand, et al. We search through a list of carefully chosen foreign locations with loaded enthusiasm. But most of us overlook and underestimate the beauty of our own country and eulogize foreign shores. Our own country has an interesting mix of places that are truly a travelerâ€™s delight. Hills, desert, grasslands, meadows, plains, plateaus, swift lakes and so on. You name it and you have got it all.

One such place that would never fail to impress whoever visits it is Meghalaya, situated in the sub Himalayan hills. The beautiful hilly state of Meghalaya can be the ideal getaway for all those who wish to experience the bounties of nature. It can be the best place for those who are in search of tranquility and solace. Meghalaya has the perfect ingredients to provide the healing touch to weary travelers with its rolling grasslands, snow dusted hills, cascading waterfalls, streaming rivers, and thriving wildlife. Add to that, its invaluable archaeological landmarks, which play an important part in tourism in Meghalaya, would fascinate historians from all over the world. And if you are looking for some warm hospitality, you might just be surprised to find out how friendly and compatible the tribal people of Meghalaya are.

Tourism in Meghalaya has been gaining momentum with the passage of time. More and more people are choosing taking a Meghalaya tour over other places as their ideal getaway and the best time to make a trip of Meghalaya would be March and July when the weather is comfortably nice and caressing.

But all this would be incomplete without a proper stay or in other words, a decent place to stay. So when it comes to this the Meghalaya tourism industry goes out of their way to cushion your stay with the best possible means. Meghalaya tourism hotels provide you with all that you can ask for when you are at your wandering best. Affordable packages, cheap rates, luxurious rooms, proper facilities, great service and delectable food provided by the Meghalaya hotels would make you feel indulged and come back to the state again.

Meghalaya tourism has helped many travelers and tourists to unravel the untapped and unexplored virginity of the state and is constantly developing more ways that would also lead in the economic development of the tribal people over there.
