Must See Places and Hotels in Uttarakhand by Suman Prakash

Article published on April 9th 2012 | Destinations

Uttarakhand is also known as the Land of Gods. The fact that the mighty Himalayas are located here makes them the home of Gods. People, who have visited Uttarakhand, swear of the fact that itâ€™s a paradise. People across the world get attracted to the beauty of Uttarakhand and come here to spend some time relaxing in the lap of nature. There is so much to see in Uttarakhand, the snowcapped mountains, the long terrains of mountain ranges, the scenery around, the hillocks, the villages, the friendly people and many more.

As per Hindu Mythology it is believed that Uttarakhand is the land of Gods. This stretch is often referred to as Devabhumi. Needless to say, there are many pilgrimage sights located here.

Here are a few must see places and Hotels in Uttarakhand.

Nainital: This is a must watch for anyone visiting Uttarakhand. The famous lake surrounded hills is indeed a treat to the human eye. It is a modern hill station that is filled with resorts. As per Mythology three priests came here and could not find water, and then they dug a hole which is now the famous Nainital Lake. Here is a famous place where one can stay in Nainital

Dolmaar Resort: This is a famous resort in Nainital. It is strategically located on the lower range of Nainital ensuring that it gets a picturesque view. The resort has a peaceful atmosphere as it blends beautifully in nature. Apart from that, it is a true treat for adventure freaks as they organize various adventure trips and sports for the visitorâ€™s enjoyment and pleasure. The resort is equipped with all modern facilities and is nearby to the railway station.

Kausani: Another must visit place in Uttarakhand is Kausani. This place is located around 1900 m above sea level. Kausani is blessed with a natural reserve thatâ€™s surrounded by thick forests. It is famous for its post card perfect view as one gets an amazingly clear view of the snowcapped Nanda Kot, Trishul, nandaGhunti, Panchachuli and Kedarnath.Such is the beauty of Kausani , that people visiting this place has compared it with Switzerland.

Once, in kausani, you can stay at the Blossom Hotel and Resort. This resort has a latest amenity providing hotel that pampers one with all worldly benefits. If you like privacy, then they has small huts and cottages that ensure that you are one with nature. These huts and cottages are beautifully decorated keeping in mind the natural theme.

There are many other places to see in Uttarakhand. As per Uttarakhand Tourism., Places like Pauri, Mussaurii,Chaukori and Lansdowne. The best part being , that there are many online portals that actually help one to browse through the places to see in Uttrakhand and also make bookings of accommodations. These online portals are simple and ready to use. Also one gets the option to choose from the various Hotels in Uttarakhand and see what each one of them is offering before freezing their choice.
