Article published on June 19th 2012 | Destinations

More and more stags are choosing to have stag weekends rather than just a stag night celebration. Stag weekends are a great excuse to get all your friends together and go away for a boyâ€™s weekend and have some great fun. There are now lots of companies that offer tailor made stag weekends many of which are based around fun, exciting and adventurous activities that are sure to make any stag weekends a great success. Stag weekends that include planned activities are the ideal way for the entire group to get to know each other as some of the stag party may not have met before. There are many great places all over the UK to on stag weekends but if you want to plan an action packed weekend full of outdoor activities you are best choosing destinations like Wales where there is lots on offer to make perfect stag weekend.

Companies that offer stag weekends may provide a one stop shop for all your requirements. Many will be able to organise accommodation, transport, food, activities and nightlife in one package so you can give each stag a clear and simple price to pay that will incorporate everything for the whole trip. Most stag weekend companies will have a range of accommodation options to suit all budges from bunkhouses to hotels all close to any activities you may wish to take part in.

Popular activities for stag weekends include clay pigeon shooting, quad biking, canoeing, caving, golf, paint balling, off road driving, rock climbing, rally carting hover crafting, assault courses, abseiling and lots more! With so many wonderful and exciting activities to take part in you may wish to book a number of different ones to do over the duration of the stag weekend. Companies who plan stag weekends will be able to arrange a great night out for you and can plan meals, bars and get tickets for clubs or shows that will appeal to all the stags in your group. They will also be able to book transport to get you to and from all activities and for night time entertainment.
