Santuary of Truth is a Colossal Wooden Structure to Be Seen at Pattaya by Mark Spncer

Article published on April 3rd 2012 | Destinations

Thailand is a wide destination for tourists, offering a number of beaches and natural scenery, of which Pattaya is an exclusive tourism destination, the nearest airport being Bangkokâ€™s Suvarnabhumi International Airport,  and in Pattaya tour the traveler can experience enormous joy, whether touring alone or with the family, while Pattaya is a beach resort offering land and water sports equally. The reputed travel agents have designed quite a number of impressive Pattaya tour packages covering important en route and major locations such as Bangkok, Singapore etc.

One of the attractions during Pattaya travel is the Sanctuary of truth, a colossal wooden structure with 100 x 100 metre dimension in length and breadth, with carvings depicting the culture of Thailand, Hinduism, Khmer and China, perhaps the one and only large wooden structure in the entire world, having four wings of different themes.

Besides this mammoth wooden extravaganza,  there are many places of excitement that a Pattaya tourist group would love to visit as many as 50 spots, few of them being

â€¢Golden Buddha Temple

â€¢Panoramic view of the hill

â€¢Silvertake Winery

â€¢Pattaya Floating Market

â€¢Mini Siam

â€¢The Million Year Stone Park and Crocodile Farm

â€¢Pattaya Elephant Village

Well known Travel agents  have designed wonderful Pattaya tour packages in affordable prices, which include return air travel, local surface transport and hotel accommodation and the tour packages mostly cover Bangkok and Singapore too, such as

â€¢Five day packages with Two nights at Pattaya and 2 nights at Bangkok

â€¢Twelve day packages with 2 nights at Pattaya, 2 nights at Bangkok, 2 nights at Genting and 3 nights at Singapore

Most of the Pattaya tour packages would be customized for family tours, group tours and honey-moon tours so that the itinerary would fit in with respective types of tour participants. For instance, a family tour package will have two full days visit to places of interest, sight-seeing and water sports activities at Pattaya and the rest of the package taking the participants to other places like Bangkok etc., whereas the honey-moon package will include more leisure time to spend at Pattaya.

Bangkok being the nearest airport for Pattaya travel, there are daily services from most of the international airports, particularly from all the metro cities of India, flight schedules of 30 from Delhi, 11 from Mumbai, 21 from Kolkata, 19 from Chennai and 17 from Bangalore.

On line search for the right Pattaya travel package and booking through credit card or net banking can be done in any of the Travel Agentsâ€™ web portals.
