Article published on February 13th 2012 | Destinations

Land locked between Germany, France, Italy, Austria and Liechtenstein, well known for the superb quality watches and delightful chocolate lays the scenic country we all call Switzerland. The full name of the country however is the Swiss Confederation and spans over an area of 41285 km2.

This country is home to a part of the great Alps and thus the picturesque views of these mountain ranges are simply amazing from here. The great Alps look as if they have broken out from the ground and have shot towards the skies. The lush green plains with the cows grazing lazily around a sparkling blue lake with the canvas of clear blue sky and warm sunlight is a sight that one may have seen only in pictures, thinking of being there someday. With Switzerland tour make your thoughts come to life and visit this wonderful country of watches, chocolates and scenic beauty.

A honeymoon in Switzerland is the best possible gift one can give in this world to their loved one. With the stunning beauty of the landscape, crystal blue lakes and the worldâ€™s finest chocolates this place is at the zenith of honeymoon destinations. A honeymoon spent here is enough to last you decades of memories and when you think of a honeymoon again it will be this place on the top of your list.

Switzerland Trip arranges you the perfect places to visit and things to do that the next time you see a beautiful landscape you will always reminisce about Switzerland. Some of the best things to do and see in this wonderful country would be:-

Hiking- one of the best possible ways to enjoy the scenic beauty of this picturesque land is by hiking. Exceeding 48,300km of marked trails hiking here has been made easy. When you hike to see the scenic beauty of the place you feel one with nature and even the winds blowing seem to whisper to you.

Bern the capital city- the city contains a lot of old buildings and architectural wonders. Take a stroll through the city get transported into history with the many ancient buildings around you.

Train ride-take a journey via train and enjoy the beautiful landscapes and forests cuts through. When traveling by train you get to see the change in landscapes that will amaze and spellbind you. The train rides here are widely known for the routes it takes so that a traveler can make the best of the wonderful scenic beauty the country has.

Taste the local delicacies- chocolates here are world renowned and simply delicious to eat. There are such a wide variety of chocolates here and each is more appetizing than the other. Also the cheese products of this country are simply marvelous.

In this charming country you can even enjoy paragliding and have a birdâ€™s eye view of the most charming landscapes and lakes which has captured the hearts of many. These are just a few of the things that can be done around the wonderful country.
