A scintillating ecumenical city/state with the history attached by means of nails, a genteel playground for all abilities of adventure-seekers and a melting pot blending manifold cultures, Singapore is rightly crowned by the title of the â€˜Tourism Capital of Worldâ€™. Located in the southeastern region of Asian Continent, this vibrant city/state makes the perfect getaway for travelers of all profiles. Relish the charms of past in the Colonial District, dig into the vivacious art scenes and architecture elegance at Marina Bay, explore play-some activities at Sentosa Island, or get your daily dose of shopping along the Orchard Road, come Singapore and collect some wonderful memories to cherish in future.

Trance in Singapore is not confined to its natural beauty or cultural variations, but the world-class lodging facilities in the state do also leave the travelers enchanted with their superb customer services and firs-class amenities. Singapore hotels cater to a wide range of styles, from boutique guest houses to colonial inspired estates, and luxury five star hotels to mesmeric beach resorts, and ensure the tourists to find their desirable accommodation in a high-enchanting environment. The best part is that accommodation in Singapore is available in every price category. If luxury services can be enjoyed in pricey 5 star hotels or resorts, reasonable accommodations including 2-3 star hotels and even the bed & breakfast types of hotels are also there to offer cost-effective stay.

Luxury Hotels in Singapore: Talking about luxury Singapore hotels, they are really an exclusive experience to stay in. Lavish rooms equipped with comprehensive amenities, unsurpassed level of personal and business facilities and warm, adorable hospitality, they are worth against your payment. In the list of luxury accommodations in Singapore, following hotels come on top:

â€¢Mandarin Orchard, Orchard-Bukit Timah

â€¢Somerset Bencoolen, City Center

â€¢Bintan Lagoon Resort near Singapore

â€¢Marina Mandarin, City Center

â€¢Hotel Inn, Orchard City Center

â€¢Value Hotel Thomson, City Center

â€¢Royal Plaza on Scott, Orchard Road

Budget Hotels in Singapore: Comfy apartments, all necessary facilities and pleasing room service, budget hotels in Singapore offer delightful stay in cost-effective manner. Usual facilities provided to guests include elegant rooms, TV/DVD access, separate cozy bathrooms, air conditioning, internet connection and safety deposit box. However, what you will get largely depends upon what you pay. Among popular budget hotels in Singapore, there are:

â€¢Le Grove Apartment, Orchard Bukit Timah

â€¢Hotel 81 Selegie, Orchard Bukit Timah
