Singapore packages: Singapore is a dream destination for holiday lovers by [Ajay Kumar](#)

Article published on January 17th 2012 | [Destinations](#)

Holiday packages to Singapore are avidly sought by millions of tourists year after year because of the amazing sightseeing, picturesque landscape and plenty of modern facilities & luxuries available in this island-country.

When and why to visit Singapore: Singapore is a marvelous country located in the middle of blue oceans as a cluster of small islands. Owing to its seaside rendezvous, it is a perfect beach destination for beach lovers from all across the world. Besides, the tropical location of the country also makes for an enticing flora & fauna that presents itself in pristine glory in the form of botanical gardens and forests. Singapore packages can be sought throughout the year since the country enjoys a pleasant climate and is fit for sightseeing & exploration in all the seasons.

One more reason why people prefer to buy the holiday packages to Singapore is that it being an East Asian country, it offers some unique culture especially to the eyes of the European & Americans from the western hemisphere. And if you are still unconvinced about the peerless beauty of this place, then read on:

Wild beaches: Singapore, as stated earlier, has plenty of beaches to offer to the sea lovers. Singapore tour packages throw you right into the midst of some rapturous beaches which have all the facilities of food, changing rooms, boating services and even parlors. Most importantly, you can plunge into some seriously adrenaline-pumping beach action with water sports like surfing, skiing, Para-sailing, kayaking, etc.

Sentosa Island: Amongst the many beaches of Singapore, the most striking ones perhaps can be found in Sentosa Island which is the hottest locale in the country known for its charming history and fascinating architecture. Under the Singapore packages, you can explore Sentosa Island in its entirety and come face to face with the nostalgic museums, the old churches and the all-famous Statue of Merlion.

Vibrant nightlife and shopping: When in Singapore, you cannot help but stay awake throughout the night since the nightlife of the country is extremely dazzling and seductive. The shops, markets and malls glitter in neon lights fascinating the shopaholics and soothing their eyes & other senses. Tour package for Singapore allow you to dig your fork into some delicious cuisines in extremely high-class restaurants and go on a sightseeing spree around the ultra metropolitan cities.

Wildlife and temples: Wildlife, night safari, bird parks (especially the Jurong Bird Park) and the Singapore Zoo can give you the experience of a lifetime. And if wildlife is not your cup of tea, then don't forget to step into some very serene & sedate temples & monasteries that Singapore tour packages bring before you.

In one line, Singapore holiday is a flight to a dream destination! a paradise!
