Switzerland is a land locked country that has been famed since time immemorial for the scenic beauty, chocolates, cheese and watches.

We all have at least dreamed once in our lives for a Switzerland trip. The most obvious reason for this dream is the beauty of the place that is so alluring. When one compares scenic beauty with another Switzerland is always used as a reference. The beauty of the place is so immaculate that one canâ€™t help but praise the scenic landscape that this country has been blessed with. To add a topping to this place of beauty is the mouthwatering world renowned Swiss cheese and chocolates.

Beauty as seen in Switzerland is reminiscent of mans first abode, the Garden of Eden. Beauty as displayed here by the towering snow capped mountains, lush green plains, crystal blue lakes, azure skies, rich forests and the cleanliness of the place is unmatched by any other place in the world.

When a newly married couple is asked if they could go anywhere in the world for a honeymoon where would it be? The answer comes out in a jiffy saying â€œwe would like to go for a honeymoon in Switzerland.â€•

The setting of the place is so beautiful that words arenâ€™t quite enough to describe the scenic views. It is as if a fragment of what we all call paradise was put here by God to show us the spoils of Eden that man first lived in. The picturesque hills with lush green meadows, fresh air free from the pollution of the modern world, lakes that reflect the clear blue skies, cattle grazing in the vast meadows, the towering mountains of the great Alps reaching out for the sky and silence is what makes this place a dream destination for almost the entire world.

The beat way to enjoy the beauty of this place is by going on hikes. Hiking here has been made easy as the marked trails exceed 48,300km and every trail is a masterpiece of nature. The scenic landscapes, lakes and meadows will captivate you as you make your way slowly through the hiking trails. Breathe in the beauty of the place and feel it grow within you with every step you take.

Do not miss out on the train rides when here. This is the best possible way to enjoy the beauty of Switzerland other than hiking. The train rides wind through the forests and over the hills giving you a spectacle of the most beautiful places of the country. A view of the spectacular landscapes from the train is completely different than the ones you would see while hiking so do not miss out on the train rides here.

Skiing and sledging are wonderful activities that light up the winters of Switzerland. Amateur and professional skiers both flock the place as the country has many good slopes that are apt for skiing. There is also a 6km long slope where you can sledge down and have an adrenaline rush.
