Bangkok, the rice bowl of the world, is a beautiful place to spend a holiday. Four to five days is all you need for a complete tour package to Bangkok. It will be a short escapade to this tourist destination. This capital city of Thailand is modern and westernized. Itâ€™s beautiful scenic visual appeal is sure to steal your heart away. Bangkok tour package offers you a variety of activities in the limited time. You will be visiting the most famous places in Bangkok, you can taste the best of Thai food, you can undertake some adventures activities and lastly, you can participate actively in the night life of Bangkok and indulge in shopping as well. Your Bangkok tour package can prove to be one good party.

Most of the tour packages to Bangkok start their day in the Koh Samui Island tour where you can have a local lunch and relax for the rest of your day as you might be exhausted after travelling to reach Bangkok. The second day of your Bangkok tour package will be going back to Bangkok from the Koh Samui Island to the city of Bangkok. What is in store here will mesmerize you. You can choose to visit a lot of places like ancient temples and attractions of the city and try your hand at various entertainment options like dinner cruises and night clubs. Your tour package to Bangkok does not necessarily have to be only an adventurous trip but also an extravagant cultural excursion. In fact, Bangkok is the hub for various commercial and economical activities in the Kingdom of Thailand.

Tour package to Bangkok offers numerous places that you can visit under different categories. For example, for historical buildings, you can visit Siam, Rajdamri, Sathorn, China town, Chatuchak, Grand Palace and Childlom Pheonchit. The city is filled with numerous temples or wats. The most important of these temples is the Emerald Budhha or Wat Pra Kaeo. The statue of Buddha in green jade in the chapel is the main tourist attraction. There is also the Wat Po which is the oldest and the largest monastery dating back to 400 BC which is found in the city.

The list goes on with other places to see such as the Bangkok National Museum, Royal Barges Museum, Forensic museum, Thailand National Theater, The Thailand cultural centre, various other exhibitions, trade shows and conventions. A special mention about the parks and gardens of Bangkok is a must. The Lumphini Park is the Bangkokâ€™s Central Park. There are other parks as well like the Chatuchak Park, Dusit Park and Rama IX Park. In all, your Bangkok tour package is complete with fun, adventure and excitement.

If you have a little more time to spare, you can include travel in Pattaya along with the Bangkok tour. Pattatya is equally vibrant with vast tourist related activities. It is renowned as a sea side resort. If you wish to get away from the fast life of a city, travel in Pattaya is the best suited plan for you. The long stretches of sandy coastlines of beaches in Pattaya will make your travel in Pattaya a memorable one.
