Thailand â€“ Offers a Rich and Mystical Experience By Sonu Yadav

Article published on February 9th 2012 | Destinations

Thailand offers an experience that is rich and mystical. You will feel light as feather and free as sparkling sun shine being amazed at the truly breathtaking creations of nature. Thailand is a land of diverse landscapes that harbor scenic splendor. Thailand homes a cultural heritage that dates far back in time. The fact that country has more than three hundred Buddhist temples speaks volumes about the cultural richness of the country. Thailand also homes over hundred national parks including twenty marine parks.

Thailand trip will take you to a country which has immense geographical diversity. The north of the country is full of mystical mountains and forests. The central part is plains with vast green rice fields. The northeast homes Khorat Plateau. Southern part consists of narrow Kra Isthmus that widens into Malay Peninsula. The south houses the jubilant tropical islands and beaches.

Thailand also features a wide variety of climates. Due to this diversity in geography and climate wide variety of plant and animal species have developed in Thailand. With over hundred national parks including twenty marine parks, Thailand Tourism lets you savor this diversity.

In the south there are outlandish beaches and islands. Then there are mountainous terrain in north where you can engage in trekking, mountain biking, photography, birding and camping or get up close to exotic animals. Options of scuba diving are also prevalent in the beaches of Thailand.

Thailand is situated in South East Asia with coasts on Andaman Sea and Gulf of Thailand. Andaman Sea is considered the most precious natural resource of Thailand because it homes the most popular and luxurious resorts in Asia. Phuket, Krabi, ranong, Phang Nga, Trang and numerous other islands lay along the coasts of Andaman Sea. These are places where rich and elite have a nice bash.

The night life also in Thailand is exhilarating. There are many discos, pubs, bars and restaurants where you can eat, drink and dance to your heartâ€™s content. You will also get companionship for money and without money, if you are fortunate.

Thailand Holiday Packages offer a good avenue for shopping. The streets of Bangkok and Chiang Mai are a heaven for shopaholics. You can shop for almost anything from consumer goods, electronics to endangered animals in these destinations. It is said only truly austere can resist the temptation of shopping in Thailand.

The majority of Thailand is Thai speaking people. The national religion is Thervada Buddhism. The culture of Thailand is shaped by many influences including Indian, Lao, Burmese, Cambodian and Chinese. The traditions of Thai Buddhism have evolved over tome to include many beliefs originating from Hinduism, animism and ancestor worship.

There is no dearth for celebrations in Thailand. Every month, many festivals are celebrated in Thailand, that too with enormous fanfare and festivities. You can have a nice and enthralling time joining these celebrations.

Tourists can find conducive weather somewhere in the country throughout the year because of the geography of Thailand. The experience is that weather in Thailand is quite easy to anticipate and plan a trip around. The Thailand climate is controlled by tropical monsoons. The weather is generally hot and humid across most of the country throughout major part of the year.

Thai cuisine is world famous for its sumptuousness. The common ingredients of Thai food include garlic, chillies, lime juice, lemon grass and fish sauce.
