Travel to Rome for a fantastic vacation by Adamina Ada

Article published on January 7th 2012 | Destinations

A house of ancient attraction 'The Colosseum', the headquarters of your religious belief and silent witness of some of the great dynasties of history is situated in Rome which is an ideal choice for Roma holydays. You can book your accommodation in Rome Italy hotels which offers a pleasant stay. The Italian capital is included in the list of the few cities that has influenced the past, making an impact on this and has the ability to change the future. Travel to Rome has much to offer aside from your first love for Pizza and Pasta. Travel to Rome is a rewarding experience, as it is a miraculous blend of cultural activities, romance, escape history, as well Paradise is Epicurean.

Spectacular monuments make the city a treasure.

The city offers an assortment of offers art, full of spectacular monuments, which are perfect examples of unusual architecture of the nation. The country has a treasure of an ancient culture. If you want to explore the hypnotic beauty of the city, check out the main museums of the place - the Vatican museums. Vatican museums have the richest collection of art in the world. Consisting of 12 different museums in one, has a collection of the best in Rome, Etruscan, Greek, Egyptian, Assyrian and modern religious art.

Never ending entertainment is the specialty.

Italy is also famous for its dance and music temptation. Dance and music priming of the city is the main reason of many tourists travel to Rome for Roma holydays. Teatro Olimpico is the best place to experience the charm of dance in Italy, while Philharmonic is perfect ethnic and contemporary. A visit to the Colosseum is considered necessary in a plan for tourism in Rome. This ancient amphitheater is a wonderful example of rich cultural and scientific Italy. It was built in 70 AD. Touring these places alone or with a guide can make a memory that will never forget. The Pantheon is over 1800 years and has not changed in all that time. It was built as the temple of all gods in 125 AD. This concrete dome is the final resting place of many different people, including the painter, Raphael, and two different kings of Italy.

Rome is rich in history and culture.

The building has retained much of the same feeling and form as it was in Roman times. The Vatican is not to be missed, with its collections of books, objects, sculptures, and more that tell the history of the Catholic Church. Do not miss the St. Peter's Basilica and Michelangelo's Pieta. The Sistine Chapel is not to be missed as well. We all know that this is one of the most visible pieces of art in Europe and perhaps in the world. The Vatican is a part of Rome which certainly not to miss.
