Article published on March 5th 2012 | Destinations

In all of Asia, Seoul is being one of the most significant locations in modern-days. The place offers lot of attractions to visit. Although in comparison to other close by destinations in Asia, Seoul does not get many tourists to boast of. Most of the times people carry on their journey to Tokyo, Japan and give Seoul a miss, which is a great loss on their part as the place offers lot of exciting attractions and places to visit. Slowly and gradually, Seoul is coming up as an alternate destination. With the strong backing of a wide array of attractions, Seoul has been slated as the next upcoming prominent vacation spot in near future by the tourism experts.

In the eastern Asian region, Seoul has always occupied an important place. Seoul is the capital of Korea and for past 600 years the city is keeping with the pace of development registered all over the world. Since airline tickets for cheap are easily available to Seoul, besides business men, many people who are looking to visit a somewhat different place are also visiting Seoul. Although there are many flights to Seoul, only a few offer cheap tickets. Because of the open sky policy, many private airlines have entered the horizon thereby increasing competition. This increased competition has resulted in the lowering down of ticket prices, making it easier for the middle class people to indulge in some serious vacationing.

From all over the world, there are cheap flights to Seoul and people can come here to see some of the unique attractions offered by the city. During the reign of Joseon dynasty, Seoul was known as Han yang. Officially, the name Seoul was given to the city when it was liberated from the rule of Japan. Capital of South Korea, the city has made its mark in the global scenario. The city has now become quite developed and over the years, lots of developments have been carried out.

Seoul is fast developing and keeping pace with the developments expected in 21st century. The hustle and bustle of the town excites people coming here but apart from this, the place also offers lot of scenic attractions. In order to entertain tourists coming here, the tourist attractions available in Seoul are also developing. An eclectic mix of modernism and rich culture can be seen here. One needs a lot of time to explore this wonderful city.

Tourist attractions in Seoul include magnificent palaces that are quite ancient, Royal Shrines and many more. Some of the prominent ones are Changdeokgung and gardens, Han River Park, Gyeongbokgung Palace, Deoksugung Palace, Daehangno, Jongmyo Daeje Royal Ancestral Rites, Insa-dong, Cheongwadae (The Blue House), Insa-dong Shopping Street, Namdaemun Market, Namsan Park, Namsangol Hanok Village, Dongdaemun Market, COEX Mall, Seoul World Cup Stadium, Myeong-dong Shopping area, Lotte World, Apgujeong Rodeo Drive, Itaewon Tourist District, Bukhansan Mountain National Park and many more. Cheap tickets to Seoul has given an opportunity to the visitors to see some unique and wonderful attractions.
