Are you planning for break and looking for an overseas exotic holidaying destination where you can take your family and spend some quality time together, if yes then look no further than Malaysia, a most visited Southeast Asian country. Whether planning for any kind of vacations, be it honeymoon, family holiday or either business trip, Malaysia is the perfect place to get in. it is fabulous country boasting unspoilt nature, endless white sandy beaches and rich cultures that blend together to create a vibrant mix of customs, festivals and gastronomic delights. It serves tourists with an opportunity to discover a land of extreme contrast, the excitement of Kuala Lumpur, the architecture and history of Penang, Langkawiâ€™s luxurious beaches and the endangered orang-utans of Borneo, therefore it offers every thing to every kind of tourists.

Besides, there are so many things which gives Malaysia Tours an international recognition and enhance its popularity world-wide, such as its world-class excellent hotels, warm and friendly people, exotic food and alluring culture, which also worth to experience during visiting and exploring this country. The year in Malaysia is filled with parties and colorful celebrations, resounds all the year round. Apart from it is also considered an ideal place for ardent shoppers, as there are so many bustling markets, street markets and big malls offers ranges of products in reasonable coast. There are so many reasons that why any one should choose Malaysia as their holidaying destination as there are so many attractions and destinations to explore which are as listed below.

Kuala Lumpur

With the worldâ€™s cheapest five-star hotels, great shopping, exciting night life and even better food, the capital city of Malaysia, Kuala Lumpur is one of the most visited destinations by visitors located on the west coast of peninsula of the country. Covering 243 sq km, it locates approximately 40 km from the coast. Be here and experience a diversity of Asian cultures in a single destination and meet the warm and friendly people with all time smiles on their face. There are so many attractions places in and around Kuala Lumpur offering something for every one to enjoy. Petronas Towers, Menara KL Tower, China Town, Batu Caves, Little India, Kuala Lumpur Bird Park and etc are the few attractions that one can explore through Kuala Lumpur tour packages.

George Town

Listed as UNESCO World Heritage Site in the year 2008, George Town is one of the major attractions in Malaysia, located on the western-coast magnets tourists from every nook and corner of the world. Though this place is less popular as compare to the island on which it is located Penang. The island and the city are so close as in earlier days most of the people considered both to be the same thing.

Penang

Well-renowned as â€˜Pearl of the Orientâ€™, Penang is one of the must seen attractions in Malaysia carries a natural beauty and cultural beauty and cultural splendor like no other place. Apart from there are so many attractions that can be explored through Malaysia Tour Packages named as Miri, Malacca, Fraserâ€™s Hill, Redang and etc. If you have decided to visit Malaysia then select tailor made holiday package and enjoy your vacations in memorable way.
