Visit Nepal and Experience Worldâ€™s Best Attractions While Enjoying Trekking by Hariom Arya

Article published on January 19th 2012 | Destinations

Home to the worldâ€™s highest peaks including Mt. Everest and heart-gripping attractions Nepal is one of the most visited attractions in South-Asia magnets tourists from every nook and corner of the world all the year round. Nature has blessed this country with such amazing attractions whose significance can not be described in words and visual description. Home to the worldâ€™s ten highest peaks, Nepal is landlocked country in southern-Asia, sandwiched between the Tibet autonomous region of China and India. Encircled wonderfully by the scenic Himalayas covered with fairy snow, almost seen flittering with the sky, it is a country with heavenly natural charm, beauty and attractions.

It is one such country where nature has left all its best expression in fact it is an ideal holidaying destination for those who wish to spend their vacations in the lap of mother-nature. In terms of natural attractions it really has not any competitor in the world. Right from refreshing hills, snow-laden towering peaks, meandering rivers, peaceful lakes, wildlife parks to ranges of floras and faunas, it offers every thing to those who wish to spend their vacations in the lap of mother-nature. Apart from there are many other things which enhances the popularity of Nepal Tourism such as its exotic food, friendly people and excellent hotels and accommodations gives world class amenities to the visitors and make them feel special.

It is the treasure trove of wonderments and is really paradise for tourists. Due to its several trekking trials and availability of several rewards of nature it is also considered an ideal place for several adventurous activities such as trekking, hiking, parasailing, white-water rafting, bungee-jumping, mountaineering and many more. Mountaineering in this country is considered the keystone activity that Nepal offers to the climbers than any country in the world. As you know among eight of fourteen 8000m peaks lie in Nepal including the Mt. Everest, the highest peak in the world.

The country is well-known for its Himalaya Mountains doubles the chances of mountaineering in Nepal. No wonder that Nepal is one of the favourite destinations for mountaineers and every year more than 600 expeditions trudge up the Himalaya, including the trekking peaks. Trekking in this country is also very popular activity takes tourists not only through some spectacular landscapes but gives them an opportunity to learn its fascinating culture. Everest Region, Annapurna Region, Langtang Region, Manaslu and etc are the few trekking trails in Nepal. Nepal is gifted with so many attractions and fascinating destinations having their distinctive features, all are worth to explore in a lifetime span.

Among numerous attraction places of this country Kathmandu is the best places to visit in Nepal fascinates tourists from every nook and corner of the world with reason. Home to the breathtaking attractions and worldâ€™s eight UNESCO World Heritage sites, Kathmandu is the political, commercial and cultural hub of Nepal. Scattered across an area of 360 square kilometres and an altitude of 1336 meter above the sea level, it is an exotic and fascinating showcase of a very rich culture, art and tradition.
