Visit to Kingdom of Nepal and Explore Its Unfathomable Breathtaking Attractions by Hariom Arya

Article published on January 11th 2012 | Destinations

Do you love traveling, and exploring and visiting to new attraction places and participating in several adventurous activities fascinates you most, then look no further than the kingdom of Nepal, one of the most visited destination in south-Asia. Whether looking for family holiday or either honeymooning with your partner, it is the perfect place to get in. Nature has unleashed its all splendor or charm to this country to make it one of the finest places in the planet. Every year from every corner of the world, tourists visit this country in the hordes. It is an ultimate holidaying place for those who wish to spend their vacations in the perfect setting of nature while admiring several awards which has been gifted to this country by nature. World famous for worldâ€™s ten highest peaks including Mt.Everest, it is landlocked country in south-Asia, sandwiched between the Tibet autonomous region of China and India. It is one such place which offers every thing to the nature-lovers right from refreshing hill stations with cascading waterfalls, meandering rivers, fruit laden orchards, wildlife national parks, peaceful lakes, snow-covered peaks and ranges of floras and faunas.

Apart from it is equally famous for its fascinating culture, as UNESCO has declared 10 World Heritage Sites, seven inside Kathmandu Valley and three outside out of which, seven cultural heritage sites are located inside Kathmandu Valley within the distance of 20 km. Pashupatinath temple, Boudhanath, Swayambhunath, Kathmandu Durbar square, Patan Durbar Square, Bhaktapur Durbar Square and Changunarayan temple are the famous cultural heritage sites in Kathmandu Valley.

Along with it is equally popular for its mouth-watering cuisine, well cultured people, exotic food and excellent hotels and accommodations gives world class amenities to their visitors. Considering touristâ€™s vacations and values we have strived to design tour packages Nepal in such way which almost cover every thing of touristâ€™s interest. Being a small country, Nepal is speckled with so many attractions and destinations having their distinctive features. Pokhara, Patan, Janakpur, Bhaktapur Namche Bazaar and Birgunj are the few cities of Nepal that can explored during visiting this place.

There is no dearth of attractions in Nepal, but most of the people from across the world visit this country mere to be a part of several adventure activities for which it is world-wide famous. Due to worldâ€™s highest peaks and several trekking trails, Nepal adventure tours have gained enough popularity world-wide. Nepal adventure tour contains mountaineering, rock climbing, white-water rafting, trekking, bungee jumping, mountain biking, jeep safari, mountain flight, paragliding, the Everest base camp trekking, Mount Everest Climbing, hiking and many more. Among many trekking is one of the most popular tourism activities to explore the Nepal Himalayas, its floras and faunas, people and culture and diverse natural landscape of Nepal.

For those who love to experience the natural environment as its fullest there is no better places than Nepal to visit. Wildlife safari is very popular activity and an essential part of Tour Packages in Nepal. Royal Chitwan National Park, Langtang National Park, Sagarmatha National Park, Parsa Wildlife reserves and etc are the famous wildlife reserves where you go can go for wildlife safari.
