Visit to Nepal and Discover Its Unfathomable Attractions

by Hariom Arya

Article published on December 31st 2011 | Destinations

Home to the worldâ€™s ten highest peaks including Mt.Everest, Nepal is one of the finest places to visit with reason. Nature has unleashed its all splendor to this place to make it one of the finest places in the world. Every year from every nook and corner of the world, people visit to Nepal in the hordes. If you are adventure-lover or wish to indulge in several adventure activities like mountaineering, trekking, white-water rafting or you are visiting with your family and dears and wish to relish your vacations in the lap of mother-nature, there wouldnâ€™t be any better place than kingdom of Nepal.

Home to the unfathomable attractions and blissful ambiance, it is a landlocked country in southern Asia, between the Tibet Autonomous region of China and India. Refreshing hills, snow-covered peaks, dense green forests, exotic wildlife parks, meandering rivers and ranges of floras and faunas are the few attractions that make Nepal one of the finest places to visit. Apart from, it is equally popular with its rich culture, cultural people, mouth-watering cuisine and exotic hotels and accommodations. There are so many reason that why any one should choose Nepal as their holidaying destination. Being a small country there is no shortage of attractions and destinations.

Among numerous attraction places Kathmandu is the most visited destination by visitors. Kathmandu is the largest and the capital city of Nepal, located in the eastern half of the country at an altitude of 4266 ft. if we believe in its history, for several hundred years it was one of three major royal cities-the other two being Bhaktapur and Patan. Kathmandu boasts of many historic buildings and is home to the largest of the ancient royal places as well as World Heritage Sites Swayambhunath, Boudha Nath Stupa, Pashupatinath temple, Bhaktapur Durbar Square and many.

The Kathmandu Valley, the capital, is the political, commercial and cultural hub of Nepal. Spread across an area of 360 squares kilometers and at an altitude of 1336 meter above the sea level, Kathmandu is an exotic and fascinating display case of a very rich culture, art and tradition. Apart from there are many other places to visit and explore in Nepal named as Bhaktapur, Patan, Pokhara and many more and if you wish to explore all of them without any taxing then you can bring map of Nepal with you.

There is no dearth of attractions and amazing places in Nepal but most of the tourists visit to this country to participate in several adventure activities such as trekking which is very popular in this country. Nepal Trekking is one of the most popular tourism activities to explore the great Himalayas, its floras and faunas, people and culture and diverse natural landscape of Nepal. Nepal trekking tour is not only about just walking up to the mountains, but it is gradual way of experiencing its diverse religion, culture, language, ethnicity and geography.

Well if you have decided to visit and explore the attractions in Nepal within very short duration without taking any stressful by road then you can prefer mountain flights in Nepal give wonderful opportunity to see the majestic beauty of the Nepal.
