Weekend in Malaga: Infuses Energy in Life by Julia Roger

Article published on May 8th 2012 | Destinations

Have you considered an affordable weekend break into the splendours of nature? If yes, then spend a weekend in malaga and find the pleasures of life. Located in the middle of Andalucia Island, Malaga is a laid-back town offering the flavours of Spain. It offers the ideal getaway for couples or stag-doers who would love to bask in the thrills of life.

How to spend an arty and affordable Malaga weekend?

Malaga is a fabulous blend of traditional and modern life. It offers ideal sports that would charm your eyes and give you the energy to live and love life once again. For art lovers there is lot of things to savour. To start with, Castillo de Gobralfaro offers the most panoramic view to its visitors. It is situated atop a mountain, thus giving you the chance of climbing it and enjoying the surrounding beauty.

There is an interactive museum, which gives you the best opportunity to lay your eyes on the most attractive musical instruments. Have you ever witnessed Picassoâ€™s magical work of wonder? Then, go to his birthplace where you would enjoy some of his most appealing work, which would serve as a visual treat to your eyes.

The contemporary museum and art market located in the heart of the town displays its architectural wonder. If you take a sneak peek inside the museums, you would love to enjoy some of the best pieces of work that are found there. Apart from enjoying the colourful places on your weekend in Malaga, you could be part of some wondrous activities as malaga stag fun.

Paintballing and go karting are the two special activities that are enjoyed in here. You can book a 30-minute session with your friends to help yourselves enjoy the thrills attached with the activities.

Hence, Malaga has everything to rope you in a trance. Do spare some time and give your life to re-boost itself for a better future.
