Which are new Seven Wonders of World? by Aanchal Gupta

Article published on March 3rd 2012 | Destinations

This world has a lot to please us, and some of them are so stunning that they are quite hard to surpass over. If youâ€™re a verdant traveler, then the list of seven wonders of world is definitely a thing youâ€™re curious to encounter with. The list of new seven wonders has been released, and the sites included in it really deserve to be. If youâ€™re still unaware or confused about which destinations or site they are, go ahead reading this article.

The Great Wall of China: The only man-created structure visible from the space is the Great Wall of China. This grand wall, stretched about 6400 km from the coastal city Shanhaiguan to Gansu Province, was created to protect the Chinese Empire from outside invaders. The construction of this giant wall is really amazing that continued to varied dynasties. Standing on the wall and looking around can make someone forget everything, and generates a unique spirit quite hard to describe in words.

Petra: â€œThere is nothing in this world that resembles itâ€•, this quote about the most famous and gorgeous site Petra reflects its prominence on the world tourism map. Admired for its massive architectures, refined cultures and a series of dams and water channels, Petra is really a wonder to watch and comprehend. The more you discover it the more you will love it. The legacy of Arab industrialists called â€˜Nabataeansâ€™, this ancient Jordanian city is a UNESCO world heritage site and one of the seven new wonders of the world.

Christ the Redeemer: Located on the top of the Corcovado Mountain, the statue of Christ the Redeemer is perhaps the biggest surprise in Brazil, and now in the list of seven wonder of the world. It was built in 1921 to show that Christ loves all. This iconic monument stands 38m high with a behemoth statue accounting 30 m. The statue is built of reinforced concrete, while its external caps are constructed in soapstone. Architectural precision of this monument can leave anyone spellbound.

Machu Picchu: Nobody knows the real history behind Machu Picchu, even though the archeological discovery of this place had started nearly a hundred years ago. This mystic place takes no time to amaze it visitors through the splendid ruins of a human preservation and culture that once dwelled here. This remote village is surrounded by overcrowded jungles and scenic hills, which are truly a feast for eyes.

Chichen Itza: Wedged within dense forests of Mexico and Guatemala, there lies the mysterious temples and pyramids of Chichen Itza. When the entire Europe was scrambling in the Dark Ages, this Mayan world was busy to structure a heaven that now in list of worldâ€™s seven wonders. They fabricated the calendars; they constructed vast cities, and built temples & pyramids with an amazing degree of architectural perfection. The main attraction is the central pyramid thatâ€™s a spectacular Mesoamerican step-pyramid.

Colosseum: Perhaps the most interesting construction of all times, this place has a controversial history and entices history lovers all over the world. Stunning architecture of the grand building is truly impressive, and speaks a lot about the bloody gladiator story.

Taj Mahal: This marvelous palace symbolizes true love, and features an awe-inspiring architectural beauty that never fails to impress the hearts of its visitors. Visit this grand structure, and you will forget everything around you. Soothing environment and spectacular views of Yamuna River are added attractions at this destination. Real a tour to this place is an experience of a lifetime.
